5. **Business:**

Mayor Gray discussed the reason for the handout of the KLC Interlocal Finance Program Packet. This lease would allow us to provide the Public Works a building to be able to work out of, we can pave behind the new City Hall, and consolidate the loan that we have with United Citizens Bank. With KLC we will be saving 2% on the interest rate, leaving the term the same, and saving a total of $40,000 over the life of the loan. We really can't pass it up. After the discussion and some questions about the size of the building all agreed that moving forward was best.

Mayor Gray asked Attorney Chelsey Brammell to give the first reading of Ordinance 2026-09, An Ordinance Approving a Lease Agreement for the Financing of a Project. No Action needed.

Lastly, Attorney Brammell had the second reading of Ordinance 2026-08- An Ordinance Imposing Ad Valorem Taxes for the City of Campbellsburg, Kentucky. Councilman Garold Price made a motion to approve Ordinance 2026-08 Ordinance Imposing Ad Valorem Taxes for the City of Campbellsburg, Kentucky. His motion was seconded by Councilman Kevin Collins and was duly carried. Motion carried 5/0.

6. **Adjournment:**
