

# NHS Sustainability Network 2025-26

Meeting 1: Thursday 23rd October 2025, virtual via MS Teams

## Why Join?

### Turn ambition into action!

Join a network of NHS Sustainability Professionals to:

- **Turn Strategy into action:** Bring the Green Plan guidance and other national sustainability strategies to life in your organisation.
- **Connect and collaborate:** share tools, ideas, successes and challenges with other NHS Sustainability colleagues.
- **Learn from the experts:** hear directly from the Greener NHS Team, NHS England and other Sustainability leaders.
- **Work with Clinical Leaders:** collaborate and hear from clinical peers to help drive net zero clinical transformation.
- **Grow your skills:** gain CPD-accredited learning, build ability, leadership and increase your influence across the NHS.

## What makes us unique?

- **Aligned with the Net Zero Agenda:** Each meeting will focus on one or more of the 9 key areas of focus, giving you a unique practical insight into how to drive change.
- **Peer-powered support:** We are the only NHS Sustainability Group led by peers.
- **Focus on Solutions:** Standing agenda items include members' round table and show and tell.
- **Influential Reach:** Benefit from NPAG's extensive sustainability network, connecting you with key decision makers and national initiatives
- **Specialist insight:** Learn how clinicians and colleagues embed sustainability into their specialities
- **Flexible and engaging:** Enjoy 3 virtual meetings and one face-to-face session per round (subject to members' vote).

## Why NPAG?

The NPAG **NHS Sustainability Network** is a national group of over 40 NHS Sustainability professionals committed to driving sustainable change. Membership is exclusive to NHS staff, providing a safe space for discussion and collaboration. The network is CPD-certified for 2025-26.
