Re: Mission Survey for NSPC

Good Morning, Everyone. I hope this email finds you well. Your help is needed in a quick survey.

March, 7, 2027 will mark NSPC's 10th year for supporting the Rise Against Hunger program. We have raised the funds needed during those years, and when we finish on March 7, we will have packaged 200,000 meals. Be proud! Rise Against Hunger is our only hands-on event and brings a large group of multi-generational people together for the work time. It has been an incredibly worthwhile and satisfying project. Thanks to the Delco Gives program, from which NSPC was a recipient this year, we have the necessary funding to cover our RAH day in March.

Delco Gives is in the process of planning for 2027. With that in mind, we are asking you to complete this survey to help NSPC decide its Mission(s) in the future. In addition to RAH, NSPC already participates in many other Missions such as Gemma and Chester Eastside.

Yes or no answers will not help us. Please feel free to elaborate on these questions or statements. Please return your survey to Sue Bechtold, Ginni Condo or the church office by Thanksgiving. Except for the question about RAH leadership, names are completely optional. Thank you.

I have in idea for a new Mission that NSPC could do. _____

_____

I would like to see the following Mission needs addressed. _____

_____

I have an idea for fundraising for Mission programs. _____

_____

I enjoy participating in the following Missions either financially or hands-on. _____

_____

I would like to volunteer somewhere. _____

_____

If we decide to continue supporting Rise Against Hunger, we need new chair people because the Corles and Bechtolds have led the effort for many years. I would be willing to chair a future RAH event.

_____
