ADVENT ANGELS

Will you find one of our crocheted angels?

Join us on our Advent Angel Trail and discover angels appearing across Highters Heath.

They could be in parks, footpaths, shop fronts, bus stops, and quiet corners. Each angel is part of a special Advent story, helping us prepare our hearts for the coming of Jesus.

If you spot an angel, take a photo, tag us, and take it home. Each day throughout Advent we'll share the next chapter of the Advent story, together with a short prayer, on our Facebook page.

May these angels remind us that God's promise is near, and that light grows even in the waiting.
