No monthly fees

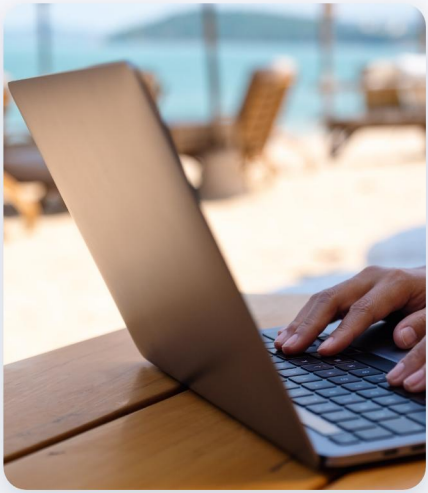
- ✓ Credit valid for up to 10 years
- ✓ 500+ networks in 160+ countries
- ✓ Multi-network: KPN and Vodafone in the Netherlands
- ✓ 2G, 3G, 4G/LTE and 5G

IN THREE STEPS

1. **Order your SIM card**
   €2 one-off. Works on 2G through to 5G.
2. **Buy credit**
   Choose how many GB you need, from 2 to 30 GB.
3. **Get connected**
   Credit stays valid for up to 10 years or until it runs out.



MULTI-NETWORK · NON-STEERED

Always the best network

The SIM card automatically connects to the strongest network. In the Netherlands it uses both KPN and Vodafone; abroad, it has access to at least two providers per country.

500+ networks	**160+** countries
10+ years of experience	**5 million** connected devices

IDEAL FOR IOT AND M2M

For every device that needs to stay connected

From trail cameras to routers: wherever a device only sends data occasionally, prepaid is the most cost-effective choice.

Trail cameras
Photos and alerts from woodland and open fields.

Access control
Keypads and barriers without a landline.

Intercom and alarm
Supports calls and SMS as well.

Drones and trackers
Connected everywhere, even across borders.

ALSO SUITABLE FOR

Routers
Ideal as a backup

GPS trackers
Vehicles and assets

Sensors

RATE LIST

Rates by country and provider

All 261 networks at a glance. Your SIM card automatically connects to the best available network.

Rates are based on the Topcom Connect Prepaid network list and exclude VAT. The price per GB is the price per MB × 1,000, rounded down to the nearest cent. In the 35 participating countries you pay €1.60 per GB on networks normally charged at €1.99; networks with a lower rate keep their own rate. Rates per network are subject to change; errors and omissions excepted.
