WHY CHOOSE US

Always connected, wherever your devices are

We work with multiple providers and choose the best-fitting network for each project. Always at a fixed monthly price, so you know exactly where you stand from the outset.

NETWORK

Multi-network coverage

- ✓ Multiple providers and networks
- ✓ Worldwide connectivity
- ✓ Extra savings in 11 countries
- ✓ We choose the best-fitting provider

PEACE OF MIND

Fixed monthly price

- ✓ Subscription included in the bundle
- ✓ Also as a shared data pool
- ✓ From 25 MB to 10 GB per SIM card
- ✓ Advice on the right bundle

APPLICATIONS

Tracking
Vehicles, containers and equipment

Telemetry
Machines, pumps and installations

Payments
Card terminals, vending and EV chargers

Routers
Backup, remote management and cameras

OUR BUNDLES

Nine fixed monthly bundles

Price per SIM card per month, including the €0.50 subscription fee. Choose the bundle that matches your device's data usage.

25 MB
GPS trackers and sensors
€0.55 p/m

50 MB
Alarms and meters
€0.59 p/m

100 MB
Tracker with live tracking
€0.65 p/m

250 MB
Telemetry and monitoring
€0.85 p/m

500 MB
EV chargers and vending
€1.15 p/m

MOST POPULAR
1 GB
Routers and payment terminals
€1.75 p/m

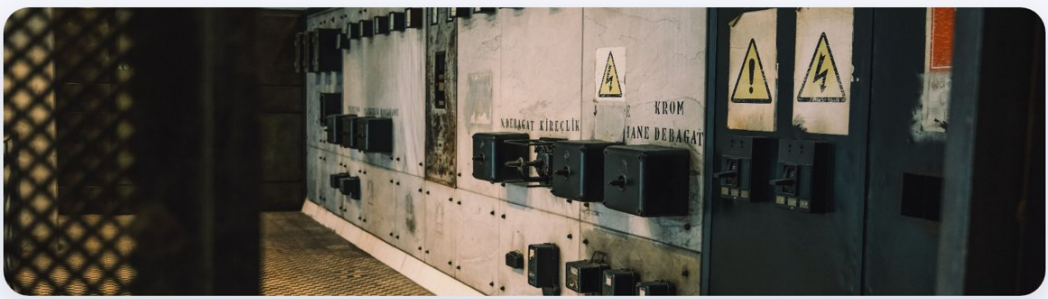
2 GB
PDAs and on-board computers
€2.99 p/m

5 GB
Backup and remote management
€6.75 p/m

10 GB
Security cameras
€11.99 p/m

Cost example
20 trackers with 100 MB each share a combined 2 GB. You pay 20 × €0.65 = **€13.00 per month**.

More than 10 GB or a large fleet?
Ask about a tailored shared data pool. We will work out the costs for you. All prices excl. VAT.



COVERAGE

Worldwide, with extra savings in 11 countries
