Hello Parents

It's registration time again! Thank you for taking care of this matter promptly. I would like to have classes in place for whomever takes over.

At this time, I can't say for sure there will be no changes to the program. Please be patient as our transition takes place when a new coordinator is hired.

Only registration is needed for 12th grade students. The Confirmation fee should have been paid in the 11th grade. If this is not done, please remit it.

12th grade students will have a class about once a month with Deacon Dave. Dates to be determined.

Thank you for your cooperation.
