Summer Discovery Camp Scholarship Application

Thanks to the generous support of the Griffiths' Family Fund (GFF), the Maria Mitchell Association is pleased to continue offering camp scholarship opportunities for Nantucket residents.

Through this program, eligible families may receive 80% off camp tuition. To qualify, a household's income must be at or below 80% of the Area Median Income (AMI) for Nantucket, Massachusetts, based on family size. Participation also requires the purchase of a $25 GFF Family Membership.

Families who do not meet these income criteria are still encouraged to apply. Approved applicants outside of the income threshold will be awarded a 50% tuition discount and must maintain a current MMA Family Membership or Island Family Membership (in place of the GFF membership requirement).

Scholarships may be applied to up to 2 camp sessions per child. Our camps serve children ages 5–17, providing enriching, hands-on experiences designed to inspire curiosity, foster discovery, and connect young learners with the natural world.
