After-School and Vacation Week Program Scholarship Application

Thanks to the generous support of Nantucket Bank, a division of Rockland Trust, and the Rockland Trust Charitable Foundation (NBRTCF), the Maria Mitchell Association is able to offer scholarship opportunities for eligible Nantucket Island residents. The MMA is committed to providing engaging discovery program experiences to children and families regardless of financial background.

Any family who can demonstrate a need is encouraged to apply. Please review our school break and vacation week program offerings at School Break and Vacation Week Programs to learn about the offerings for children in grades K-5.

This financial aid program provides up to 100% discount off the price of program sessions. If approved, scholarships will provide enrollment codes for the April Discovery Vacation Week Program. The NBRTCF Scholarship applies to the April Break Discovery Program only at this time.

Nantucket County, MA Median Income Limits:

Family Size	Annual Income Limits
2	$131,688
3	$148,188
4	$164,625
5	$196,700
