3 Ways to Give to St. John's Academy

Every gift counts.

A $1,000 gift to the school is deductible on your federal return if you itemize, which for most donors is worth somewhere around $220 to $370 back, depending on your tax bracket. The school gets the full $1,000.

North Dakota rewards you too.

A $1,000 gift to an eligible school earns a 50% North Dakota tax credit, worth $500 directly off your state income tax bill, capped at $2,500 per education category.

The most powerful way to give.

A contribution to an approved scholarship granting organization earns a 100% federal tax credit up to $1,700 per person, $3,400 per couple. Give $1,000, get $1,000 off what you would otherwise owe to the IRS.

St. John's Academy is a 501(C)3
EIN: 45-0235639
