"The Other Side of Love"

By Fr. Joseph Juknialis

Dennis is one of the local street people who lives around the parish where I live. He is usually pleasant and courteous and wants to do things right, though he also struggles with his own set of demons. For the most part, Dennis seems to be finding his way through the mazes of life, as people do in their own fashion. In some ways, the parishioners have become a family for Dennis, or at least a part of the family scattered about the neighborhood. Frequently he will be gone for a time, and we will wonder what happened to Dennis, only to find him drifting back among us.

These days Dennis is angry with us. For whatever reason, Dennis brought his assembled belongings and took up residence on our garage roof. The roof is flat and has a two-foot-high wall around the edge, a place that affords a bit of shelter from the wind. Soon, however, the parish came up with a list of reasons why it would be best if Dennis did not live on our garage roof—safety, security, and insurance among them. So Dennis was asked to move on, and that's why Dennis is angry with us.

The parish staff tries to be sensitive and caring about the street people. They try to let them make their own way when that is what they want to do. Yet at other times the staff needs to do what is best for everyone involved in the parish. It's not always easy to know how to love someone. ✝

It's not always easy to know how to love.

"El otro lado del amor"

Por el P. Joseph Juknialis

Dennis es una de las personas sin hogar que vive cerca de la parroquia donde yo resido. Suele ser una persona agradable y cortés que desea hacer las cosas bien, aunque también lucha contra sus propios demonios. En gran medida, Dennis parece estar buscando su propio camino a través de los laberintos de la vida, como hacemos todos, cada uno a su manera. En cierto sentido, los feligreses se han convertido en una familia para él —o, al menos, en parte de una familia dispersa por el vecindario—. A menudo, Dennis desaparece durante un tiempo y nos preguntamos qué habrá sido de él, hasta que, de repente, vuelve a aparecer entre nosotros.

Estos días, Dennis está enfadado con nosotros. Por alguna razón, decidió traer todas sus pertenencias y establecerse en el tejado de nuestro garaje. Es un techo plano, rodeado por un muro de unos sesenta centímetros de altura, lo que ofrece cierto refugio frente al viento. Sin embargo, pronto surgieron varias razones por las que resultaba inviable que Dennis siguiera viviendo allí —cuestiones de seguridad, protección y seguros, entre otras—. Por ello, se le pidió que se marchara, y esa es la razón de su enfado con nosotros.

El personal de la parroquia procura tratar a las personas sin hogar con sensibilidad y cariño, permitiéndoles, siempre que es lo que desean, seguir su propio camino. No obstante, en ocasiones es necesario tomar decisiones que velen por el bien de todos los que forman parte de la comunidad parroquial. No siempre resulta sencillo saber cómo amar a alguien. ✝

No siempre es fácil saber cómo amar.
