

The Rancho Cordova Luncheon

The one, and only...!

Third Friday of Each Month
Rancho Cordova City Hall
Attendance: 100

*The Rancho Cordova
Luncheon*

MISSION

Each month, the Cordova Community Council and Rancho Cordova Area Chamber of Commerce host a luncheon featuring a newsmaker in the community. This alliance of leading Rancho Cordova organizations brings together Rancho Cordova's "three-legged stool" of citizens, business and government in a setting that encourages teamwork and collaboration. Believe it or not, this luncheon has been meeting each month for 64 years!

We call it The Rancho Cordova Luncheon... the one and only! That's because it is the only monthly forum during which all sectors of our community turn out in force together. It's our primary civic networking event.

ATTENDANCE

The Rancho Cordova Luncheons attract approximately 100 people each third Friday, constituting the largest and longest-running regular public event of its kind in Rancho Cordova. Speakers have included Members of Congress, State Legislators and many others who make the news. Topics such as homelessness and challenges of education have also been featured. If it's in the news, it's likely to be a topic at The Rancho Cordova Luncheon.

SPONSORS

Both the Cordova Community Council and Rancho Cordova Area Chamber of Commerce will be offering sponsorship opportunities during these important monthly civic huddles. If you are interested in participating as a Rancho Cordova Luncheon sponsor, please contact us.

Becoming a supporting partner of The Rancho Cordova Luncheon, attended by leaders of local civic organizations, business and government officials, amounts to a helping hand to citizen engagement, good government and a healthy city.
