Beleza e tranquilidade para o seu projeto

Transforme seus ambientes em um santuário de bem-estar e sofisticação com as cubas e saboneteiras da Artemano. Inspiradas na beleza natural das pedras de rio e petrificação natural, cada peça é uma obra de arte única, esculpida à mão diretamente da natureza para você.

Cubas

Nossas cubas, importadas com exclusividade do Sudeste Asiático, são verdadeiras joias para o seu banheiro. Escolha entre a rusticidade da pedra de rio, a elegância atemporal do mármore ou a singularidade da madeira petrificada, e transforme seu ambiente em um espaço de relaxamento e contemplação.
