The Plaza at Clover Lake

A place you can call home

Comfortable lounge and social spaces, beautiful private rooms, an arts and crafts center, an outdoor activity space and more await you at one of the area's well-managed senior residences.

Welcome to The Plaza at Clover Lake, a standout independent and assisted living residence nestled on a serene 50 acres of land with its own private lake in scenic Carmel. The residence, with a quiet and comforting atmosphere tucked away in a picturesque landscape, is aimed at encouraging its residents to maintain an active, independent lifestyle while getting the assistance they need.

The amenities

Designed to provide a spacious interior with ample common areas for social interactions, The Plaza at Clover Lake has a long list of amenities providing the conveniences seniors need. From a lounge and sitting area with a fireplace to a grand living room with a piano, a beauty salon, and a theater for movie and TV viewing, The Plaza at Clover Lake makes its residents' comfort and enjoyment a priority.

The accommodations come in the form of tastefully designed and furnished private and semi-private rooms that are bright and airy with picturesque views of the lake. Rooms are serviced daily by housekeeping staff and come with added safety features such as emergency call bells.

Care and services

The Plaza at Clover Lake offers an assisted living program that is designed based on an individualized plan of care for each resident's nursing care needs. The trained staff are available 24 hours a day, seven days a week. The residence coordinates with health care providers to develop continued care for its residents. It also offers independent living for active seniors who are able to live on their own.

Social life

The restaurant-style dining in an elegant dining area and the relaxed café serve as social attractions, encouraging residents to enjoy all the delicious meals and late evening snacks. The Plaza at Clover Lake's chefs and wait staff work under the supervision of licensed dietitians.

"I love the food and the activities," said one of the residents. "More than anything, I enjoy borrowing books from our library to read in the patio while overlooking the lake."

Some call it a hidden oasis in a busy world. The Plaza at Clover Lake has the view, comfortable rooms, quality social life, individualized care or independence, and most of all, it is a place where laughter and joy radiate in its hallways.
