Chamber & Community*

Thank you for being part of a remarkable year and an even brighter one ahead!

As we welcome a new year, the Greater Mahopac-Carmel Chamber of Commerce would like to extend our heartfelt gratitude to every member, partner, volunteer, board member, and friend who made 2025 such a meaningful and successful year for our community.

This past year was filled with connection, growth, and a strong sense of community spirit. Our calendar was full, and each event told its own story of collaboration, progress, and pride in our local business community. From energizing Networking Mixers and educational Lunch & Learns to the many Grand Openings and Ribbon Cuttings celebrating new businesses and expansions, we were honored to support and uplift local entrepreneurs throughout the year.

We kicked off the outdoor season with the Carmel Spring Fair, bringing families and businesses together for a beautiful day in the heart of town. The excitement continued with the Mahopac Street Festival, which once again filled the streets with music, food, vendors, and thousands of smiling faces.

We are especially proud of our Scholarship Program, which continues to support the next generation of leaders in our community. Thanks to your involvement and generosity, we were able to award scholarships to deserving local students who are working hard to build bright futures.

As the year came to a close, Small Business Saturday reminded us of the power of shopping local and supporting one another, followed by the joy and celebration of Holiday in the Park and our annual Chamber Holiday Dinner a warm and memorable evening shared with friends old and new.

Every success this year was possible not because of what we did, but because of who we did it with YOU. Your participation, enthusiasm, and support are what make Mahopac and Carmel such special places to live, work, and grow a business.

As we step into 2026, we do so with excitement and optimism. There are new businesses to welcome, new partnerships to build, new programs to launch, and new moments to share. With your continued involvement, we know the year ahead will bring even more opportunity, connection, and success for our community.

Thank you for believing in the Chamber.

Thank you for investing in local business.

And thank you for being part of this thriving, growing, and inspiring community.

Wishing you a happy, healthy, and prosperous New Year.

With gratitude,

The Greater Mahopac Carmel Chamber of Commerce

The Plaza at Clover Lake

A place you can call home

Comfortable lounge and social spaces, beautiful private rooms, an arts and crafts center, an outdoor activity space and more await you at one of the area's well-managed senior residences.

Welcome to The Plaza at Clover Lake, a standout independent and assisted living residence nestled on a serene 50 acres of land with its own private lake in scenic Carmel. The residence, with a quiet and comforting atmosphere tucked away in a picturesque landscape, is aimed at encouraging its residents to maintain an active, independent lifestyle while getting the assistance they need.

The amenities

Designed to provide a spacious interior with ample common areas for social interactions, The Plaza at Clover Lake has a long list of amenities providing the conveniences seniors need. From a lounge and sitting area with a fireplace to a grand living room with a piano, a beauty salon, and a theater for movie and TV viewing, The Plaza at Clover Lake makes its residents' comfort and enjoyment a priority.

The accommodations come in the form of tastefully designed and furnished private and semi-private rooms that are bright and airy with picturesque views of the lake. Rooms are serviced daily by housekeeping staff and come with added safety features such as emergency call bells.

Care and services

The Plaza at Clover Lake offers an assisted living program that is designed based on an individualized plan of care for each resident's nursing care needs. The trained staff are available 24 hours a day, seven days a week. The residence coordinates with health care providers to develop continued care for its residents. It also offers independent living for active seniors who are able to live on their own.

Social life

The restaurant-style dining in an elegant dining area and the relaxed café serve as social attractions, encouraging residents to enjoy all the delicious meals and late evening snacks. The Plaza at Clover Lake's chefs and wait staff work under the supervision of licensed dietitians.

"I love the food and the activities," said one of the residents. "More than anything, I enjoy borrowing books from our library to read in the patio while overlooking the lake."

Some call it a hidden oasis in a busy world. The Plaza at Clover Lake has the view, comfortable rooms, quality social life, individualized care or independence, and most of all, it is a place where laughter and joy radiate in its hallways.

Call admissions at 845-554-4575 to schedule a tour and to learn more about this hidden gem.

Patterson and surrounding communities in Putnam County, NY September 10th | 1:00pm | 4 Hours (approx.)

From the comfort of a coach bus, we will explore a collection of some 20 of eastern Putnam County's oldest buildings. From colonial homes to early 19th-century churches, we will discuss the people, stories, and architecture of these historic places and provide an up-close-look inside several, complete with original details!

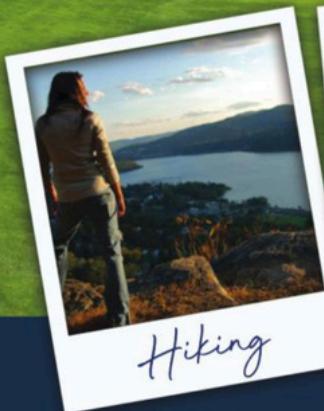

We will see the site of the Ludington home and mill, where Sybil is said to have begun her heroic ride. Interior stops include colonial homes and a "George Washington Slept Here," an 1800s Southeast landmark home, and an 1800s chapel that was saved from demolition and reassembled piece by piece.
