

2026 STATE TEAM

Coaching applications for **ALL SECTIONS**

Closing Date Friday 24 October 2025

Please find attached the 2026 CAWA State Team Coaching Application Form.

The allocation of coaches to teams is paramount to the success of the State Team. We invite all those Coaches who believe they are suitably qualified to apply for an opportunity to enjoy this unique experience and benefit from the professional development and substantial personal rewards that come with a State Team coaching experience.

Acceptance of a position with the State Team as a Coach means an acceptance of:

- The State Team Policies and Codes of Conduct (available on the CAWA website), ACF Coaches' Code of Ethics, ACF Rules and CAWA Coaches' Association standards.
- 2026 State Team training for all sections is to be held on Sundays, with minimal Friday/Saturday training if required due to graceful girl competitions, camps and the concert.
- All team members will be actively involved on stage in all items for a **minimum of 60%** of each item
- The team chaperones, in consultation with the State Team Manager, are responsible for all decisions regarding the team and their activities outside of the training times, including during camps and whilst away during the Nationals week.
- Coaches are appointed and paid as employees of the Calisthenics Association of Western Australia and therefore are bound to the requirements of their employer. The duties of the coach are limited to those of coaching their appointed state team and assisting personnel where they are requested to.

Please express your interest by lodging an application form by **Friday, 24 October 2025** via email to president@calisthenicswa.com.au

It is also important to note that the receipt of all applications remains **CONFIDENTIAL**. A selection panel, together with the CAWA President, consider the details of all applications. Recommendations are then made to the Board of Management for ratification.

Whilst you are requested to give your preferences on the application form, final allocation of Coaches to teams will be made in the best interests of Calisthenics in WA.

Please **complete all the information** below. Should the panel require further information or evidence of criteria met, you will be contacted directly. Please do not submit a resume with your application.

Should you have any queries, please don't hesitate to contact me on 0478 410 359 or president@calisthenicswa.com.au.
