Payment Policy

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis - relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does the law allow us to fulfill the functions of a bank or other lending institution. Therefore, payment is expected at the time of arrangements and due prior to services rendered.

Please be advised that one of the payment options above must be selected and funds received prior to finalization of service or cremation arrangements. **Payment in full must be made a minimum 72 hours prior to a selected service time;** failure to do so may require cancellation and/or rescheduling of service arrangements.

We realize that the expense of a funeral or cremation is often unexpected. We offer several choices in the way you may fulfill this obligation. We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible

Due to the complexity and time involved, we are unable to bill or accept payment from estates.

Payment Options

- ♦ ***Payment with cash or personal check.***
- ♦ ***Payment with an approved Visa, American Express, MasterCard or Discover.***

- ♦ ***Pre-paid funeral arrangements with Ford Funeral Home & Cremation Services, subject to verification the policy is valid.***

- ♦ ***Assignment of proceeds of a verified Life Insurance Policy.***

*Our acceptance of this mode of payment is dependent on the cooperation of the beneficiary and the insurance company(ies). The insurance policy must be given to the funeral director for verification. We must have the Insurance Company's complete cooperation in providing information to the beneficiary, amount of the death benefit available, outstanding loans information, cooperation to get claim forms in a timely manner, and their acceptance of our written assignment. The insurance company will send the balance of any insurance proceeds directly to the beneficiary after the insurance company pays the funeral bill in full from the proceeds of the insurance policy. The purchaser must obtain a certified death certificate for each insurance policy. **Service times cannot be scheduled/confirmed until we have verification of the assignment from our processor. This process typically takes 2-7 business days.***

- ♦ ***Installment loan through Lending USA.***

This is a private financial arrangement between you and Lending USA. Qualifying is based solely on applicant's credit score. Interest rates depend on applicant's credit score and other factors.
