

JESSE — WIOA Adult

Jesse began his journey working as a General Laborer and Machine Operator with Hallack Construction in Hart, Michigan. Seeking a career that would allow him to serve his community and take on greater responsibility, he enrolled in the Law Enforcement Academy at West Shore Community College.

From the start of the program, Jesse demonstrated strong commitment and leadership potential. Within his first month, he was selected as Class Commander—a role earned through positive feedback from both peers and instructors and recognition of his professionalism, teamwork, and leadership abilities. Throughout the academy, Jesse maintained solid academic performance while balancing the rigorous physical and mental demands of law enforcement training.

Jesse successfully completed the Law Enforcement Academy on May 2, 2025, earning his Certificate of Completion. In recognition of his leadership and dedication, he served as the Academy Class Speaker and Recruit Commander during graduation, further reflecting the respect he earned throughout the program.

Following graduation, Jesse transitioned directly into the workforce and was hired by the Oceana County Sheriff's Department as a Road Patrolman. His successful completion of the acad-

emy, and his selection for leadership roles along the way demonstrates both his readiness for a career in law enforcement and the strength of the training program that prepared him for this role.

Jesse's story is a clear example of how focused training, strong support, and personal dedication can lead to meaningful career advancement and long-term success in public service.
