

## FOOD STORAGE

Protect your family and wildlife. Store all foods and attractants properly. Make them unavailable to wildlife at night and when unattended during the day.

Food Storage may be required. Check with your local wildlife or land management agencies.

## ATTRACTANTS ARE:

Food, beverages, toiletries, game meat, carcass parts, processed livestock food, pet food and garbage.

## UNAVAILABLE MEANS:

Hung at least 10 feet high and 4 feet from any vertical support.

Stored inside a bear-resistant container or hard sided vehicle.

Game meat attracts bears. Store it properly. Check your local agency for regulations or recommendations for safe storage.
