Decoratief

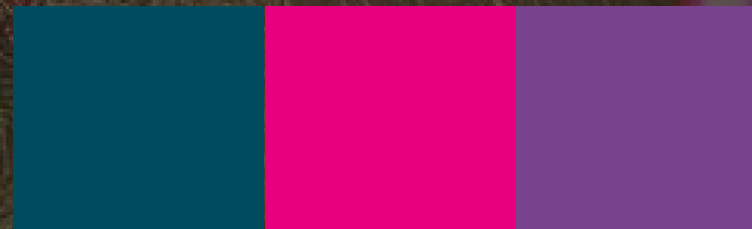

A still life composition featuring four ornate vases. The teal vase on the left holds a large pink flower and green leaves. The red vase in the center has a white floral pattern. The purple vase on the right is tall and slender. The blue vase on the far right is also tall and slender. In the foreground, there are several Christmas ornaments: a teal one on the left, a blue one in the center, and a red one on the right. The background is a solid teal color.
