

CLASS INFORMATION + PRICING

- Our classes operate just like a subscription. You subscribe for a specific class listing upon registration – the classes continue week-to-week until YOU cancel.
- Classes are broken up into consecutive, 8-week billing periods. You can subscribe for a class at any point during a billing period – you would pay for the remaining classes within that billing period, and the \$35 annual registration fee, to start your subscription.
- In order to keep your subscription active, you **MUST** pay the 8-week session balance **NO LATER THAN** the first day of each new 8-week billing period. **If we do not receive your payment by the first day of each new billing period, your child will be dropped from our roster.**
- We encourage students to participate in 1 free trial class prior to registering! To schedule a trial class, **FIRST** create your Parent Portal account by clicking the "Portal" tab on the top right of our website. **THEN**, you can request your trial class through the portal. We approve/deny requests each day, so we recommend requesting a trial 24+ hours in advance.
- Class tuitions and registration fees are not refundable, but you are allowed to switch classes to a more suitable class at no charge.
- First time students must pay a \$35 annual registration fee to cover the student's gym insurance.
- There is a \$25 fee for returned or rejected payments.
- **Each student can makeup up to 2 classes per 8-week session.** Makeups must be made up sometime within the same 8-week session that the class was missed and coordinated in advance with our office.
- If you wish to request any of the following, **you MUST communicate your request with us via email:**
 - Authorizing a one-time charge to your card on file for specific line item(s).
 - Requesting to be on autopay - this means that your card will automatically be charged on the first day of each new session, unless you email us before the session begins to discontinue the classes. **We keep a card on file for all families, but you must request to be on autopay for your card to automatically be charged.**
 - Discontinuing your classes for an upcoming session.
- Ask about our sibling & military discounts!
