Port Townsend Education Foundation
2022 Annual Appeal

PTEF grants support our teachers in important ways that otherwise would not be covered in their budgets. It helps to build a solid local academic program, increasing dynamic learning opportunities for the students. This year's funding included the following:

- Student-led school compost project
- Since Time Immemorial tribal guest teachers & curriculum support
- Science lab equipment
- Books for Spanish, English, & History Classrooms
- BIPOC field trips
- New York Times access
- Ipads for the art classroom

PTEF awarded $44,161 in grant funding for the 2022-2023 school year.

With your help we were able to fund 26 innovative grant requests from teachers.

Donate today to help students reach their full potential!
PTEF needs your help!

This coming year, PTEF will focus on reenergizing and rebuilding our foundation. We will not have a 2023 Spring Soiree. Our primary fundraiser is this Annual Appeal with a goal of raising 25k.

Help us reach our goal by donating today!

Unable to donate at this time but want to help? Visit pteducationfoundation.org for more information.

Grant Highlight

Reed Aubin’s PTHS Spanish students grow & cook traditional Latin American dishes. Starting with planting seeds in the PTHS garden and culminating in preparing meals in the Culinary Arts room, they connect to the joys and hardships of people whose cultural legacy has brought us these magnificent foods. They will develop their appreciation for the labor of those who grow our food. All the while learning Spanish communication skills to talk about nature, outdoor work, food preparation, celebrations, and cultural aspects of food and fellowship.
