Home

Aquamation is an eco-friendly cremation. It produces less carbon dioxide and pollutants than cremation. The body is placed in a chamber that is then filled with a mixture of water and lye, and heated to a temperature around 160 °C (320 °F), but at a high pressure which prevents the water from boiling. Instead, the body is effectively broken down into its chemical components, which takes about three hours.

Performing the procedure of **Aquamation** is currently not permitted in Ohio; this requires us to perform the process in Illinois.

CHOICES RELATED TO PAYMENT

Payment of funeral expenses is due in full by the day of the funeral service. We realize the expense of caring for the death of a loved one is often unexpected and unplanned. Therefore, we offer several choices for your consideration in meeting these expenses. Most of our families are comfortable with one or a combination of the payment choices listed below. Unfortunately, due to the lengthy process of closing estates, we are not able to accept estate payments. Please initial your payment preference(s).

_____ 1. **Pre-paid Funeral Arrangement – established with our funeral home:**

In the event that the total funding of the pre-paid funeral contract has not been satisfied, or the amount of non-guaranteed items exceeds the amount pre-paid, the balance due is the responsibility of the buyer and must be paid by the day of the service.

_____ 2. **Cash or Check:**

Most families choose to pay by cash or check at the time of the arrangement conference.

_____ 3. **Credit/Debit Card:**

We accept the following credit/debit cards: Visa, Mastercard, Discover, American Express

****There will be an additional 3% processing fee added to each credit/debit card transaction***

_____ 4. **Insurance Assignments:**

As a service to our families we accept assignment of the proceeds of verified insurance policies to cover the costs of services and merchandise. ***However, all Cash Advance charges must be paid by the day of the service.*** Our staff will notify your insurance carrier, obtain the necessary claim forms and prepare all documentation to process your claim for you. You must supply us with a certified death certificate to submit with the claim. Any proceeds beyond the amount assigned to us, will be paid directly to the beneficiary(s). ****There will be an additional \$500 processing fee applied.***

_____ 5. **Crypto Currency:**

We reserve the right to accept or decline specific crypto currencies. All payments by crypto currency shall be at the current rate of that currency and the full amount of the funeral services rendered.

****There will be an additional 5% processing fee added to each transaction***

*Venmo/Zelle can be arranged upon request

NET DUE & PENALTY: In all situations, total payment is due by the day of the service. Should any unforeseen circumstance arise which results in payment not being made by the day of the service, late payment penalties will be charged after 30 days at the rate of 18% per annum (1.5% per month) until the balance is paid in full. After 60 days, if payment in full has not been made, unpaid balances may be turned over to a professional collection agency.

HOSPICE CARE PRE-NEED POLICY: Effective on GPL Date, without any financial commitment or payment whatsoever by the consumer, it is our company policy that for ***individuals under hospice care***, we offer a price guaranteed quote honored for six months from the date on the Statement of Goods & Services Selected. The price guarantee DOES NOT include CASH ADVANCES.

This signed agreement represents my choice(s) related to payment and my understanding of Routsong Funeral Home & Cremations Services payment policy and General Price List, and is in addition to the contractual agreement between Routsong Funeral Home & Cremation Services and myself.

Why should you pre-plan your funeral?

It gives you peace of mind

Planning your funeral before the need arises is one of the most thoughtful ways you can protect those you love from unnecessary worry, doubt and even financial hardship. At Routsong Funeral Home, we have several pre-planning and pre-financing options available suited to your individual needs. Our counselors will be happy to discuss the details of each plan with you at a time and place that is convenient for you.

- Knowing that all of your personal choices will be carried out.
- Guaranteeing funeral expenses at today's prices.
- Relieving survivors of an expense they may have to assume.
- Protecting your insurance and savings for the benefit of your family.
- Recording vital statistics and family history information that other family members may not know.

*A funeral is a reflection of your values and your beliefs.
Who better to plan something
so personal than you?*

It's as easy as 1-2-3!

Step 1 - Gathering Information

Putting down all the biographical information about your life, your career and your family. All the facts you'll want everyone to know and remember.

Step 2 - Making Arrangements

Meeting with one of our professional counselors who will explain all your options, outline the costs, and answer all your questions. It's painless, it's easy, and it only takes about an hour.

Step 3 - Funding the Funeral

Choosing a payment option that fits your budget. All plans are transferable, should you relocate to another area.

Mission Statement

We provide families and individuals with dignified and professional services that personalize the celebration of a life remembered.

Core Values

Caring - Respectful - Supportive - Comforting - Flexible

What Makes Routsong Funeral Home Different

Selecting a Funeral Home – It's All About You. Making arrangements for a funeral is a naturally difficult process; don't let a funeral home make it worse. Choosing your funeral home should be done with care and consideration. You shouldn't feel obligated to select a funeral home that doesn't meet your standards or you do not feel comfortable at simply because your family's funerals have always been held there, or, because it is the closest to your home. A funeral is a life celebration event, much like a wedding. Don't settle for anything that doesn't provide the value that you are entitled to. Why Select Routsong Family Funeral Home? Because at Routsong Funeral Home our philosophy is simple – ***You are our guest.*** For you we provide the following:

- ◆ Two beautiful, first-class facilities capable of hosting services from 50 people to more than 200.
- ◆ Crematory off site to multi check and ensure we have the right person and the ashes you receive back is your loved one.
- ◆ All cremations have a unique verification medallion to track your loved one throughout the cremation process to ensure the identification of their ashes.
- ◆ A private viewing room to spend time with a loved one before the cremation takes place without the need to purchase or rent a casket.
- ◆ Catered receptions for up to 200 guests, with or without full bar service.
- ◆ Comfortable lobbies with several seating arrangements that allow you a place to relax or have a cup of coffee & fresh baked cookies in front of one of the fireplaces.
- ◆ Creation of a Memorial Tribute DVD to be played at the funeral home and given to you as a keepsake.
- ◆ Large coffee and food lounges. Coffee, sodas and hot chocolate are provided at all services. Food has always been the center to life's events; visitation and funerals are no different. Because of this, our lounge is open to you and your guests for as long as you are here. When you're done, **we'll clean up.** That is our job because you are our guest.
- ◆ A complete line of keepsake memorial products in our resource center.
- ◆ Specialty hearses: We offer horse-drawn hearses or a customized 2012 Harley-Davidson motorcycle hearse. These vehicles allow a very unique avenue to express an individual's personality.
- ◆ An open mind. If there is something that you need, ask us. Because you are not an imposition, you are our guest. And THAT is what separates us from all of the other funeral homes.

Funeral Misconceptions

- ***“Funerals make us too sad”*** When a loved one dies, we need to be sad. Funerals provide us with a safe place to embrace our pain and to share our loss with family, friends, and others.
- ***“Funerals are inconvenient”*** Taking a few hours out of your week to demonstrate your love for the person who died and your support of survivors is not an inconvenience but a privilege.
- ***“Funerals and Cremation are mutually exclusive”*** A funeral (with or without the body present) may be held prior to cremation. Embalmed bodies are often cremated.
- ***“Funerals are only for religious people”*** Not true. Non-religious ceremonies are appropriate and very healing.
