### GODPARENTS INFORMATION:

Catholic Godparents need to fulfill these requirements: **be least 16 years old, received the Sacrament of Confirmation, be either single or living in a sacramental marriage (married in the Church, not just in the court)**. Prospective godparents need to provide a **letter of good standing from their parish** (ask your pastor, highlighting that it is for an approval of being a godparent - he will know what to do, it's a standard letter issued by parishes) and bring it to the parish office.

Members of other Christian Denominations or Catholics who do not fulfill the requirements may act ONLY as a Christian witness, however at least one Godparent that fulfills requirements is necessary. Parents of the child cannot be his/her godparents.
