**Please visit brockhughes.org/services
for more information about Services OR
ask the reception staff.**

WHAT IF MY PROVIDER DETERMINES I NEED SPECIALIST CARE?

If the provider determines you need specialist care (ex. cardiologist, dermatologist, urologist, etc.), the provider will make a referral to a specialist office.

COUNSELING-If you are in need of behavioral health services (uninsured or have Medicaid), BHMC can refer you to VTMHI. This telehealth service will cost you \$0 AND you can schedule your appointment from anywhere that has reliable internet or cell phone service.

DENTAL- If you are in need of dental care (uninsured or have Medicaid), BHMC can refer you to Big Walker Dentistry. They are located in the BHMC building and have a low-cost sliding fee schedule. **276-228-4711**

WHAT ABOUT PAIN MANAGEMENT? OR WEIGHT LOSS?

We are not a pain clinic. We are not a weight loss clinic. You will be referred out for these services.

HOW DO I KNOW MY RIGHTS & RESPONSIBILITIES?

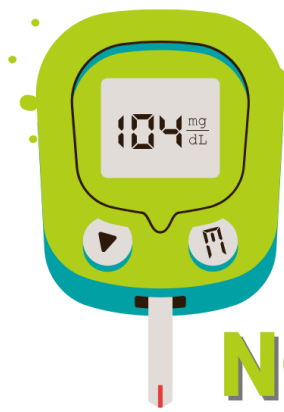

Please make sure you keep your copy of the "Notice of Privacy Practices (NPP)."
You can also request a copy of the "Patient Acknowledgements & Authorizations."

WHY SO MUCH PAPERWORK TO COMPLETE?

It is OUR duty to provide quality healthcare services to YOU. For this reason, we must collect registration forms, insurance cards, proof of identification, proof of income (if uninsured), health history, releases, and more. We are more than happy to make a copy of any forms you complete.

HOW DO I ACCESS MY HEALTH INFORMATION?

Make sure you include an email on your registration paperwork and you will be invited to add the Athena portal. This is the Electronic Health Record BHMC uses. You can also ask the front desk for assistance with this.
