### ENJOY SIMPLE, NO-FAULT COVERAGE

Foto Care Protection Plans must be purchased within 30 days from the date the equipment covered is purchased. Ask your Foto Source Dealer for more information today!

In the event that your protected equipment requires any repair or service simply take your camera to the store where the Foto Care Protection Plan was purchased or to any other Foto Source Member store location and they will handle the repair or replacement.

Get coverage for hardware failure, surge/liquid damage, accidental abuse and more.

Covers digital cameras and lenses up to \$10,000. Leave your worries behind while you are capturing all of life's great moments by purchasing a Foto Care Protection Plan!

At Foto Source, we've got you covered.

GET THE PROTECTION YOU DESERVE WITH OUR  
**NO-FAULT FOTO CARE PROTECTION PLANS**  
 FOR DIGITAL CAMERAS AND LENSES

**FOTO SOURCE**  
 LIFE. CAPTURED.

# TERMS AND CONDITIONS

Foto Source Canada Inc. agrees to repair, or, in its sole discretion, replace, the digital camera, video camera or camera accessories- lens and electronic flashes, covered under this service contract for the period specified on the Foto Care Service Contract Certificate of the matters listed.

## SERVICE CONTRACT COVERS

- Impact damage
- Sand, grit and liquid damage
- Manufacturer's defects
- Normal and abnormal wear and tear
- Accidental and unintentional abuse

## TO OBTAIN COVERAGE

To obtain coverage you will need to bring the item with proof of purchase within 30 days from the date of purchase to a Foto Source Member store. After determining coverage, that Member store will register your service contract purchase.

## TO OBTAIN SERVICE

When your item requires service, you will need to take it to the Foto Source Member store where the service contract was purchased, or any other Foto Source Member store location. That Member store will determine coverage, whether your item should be repaired or replaced, and advise when your item will be available for pick-up.

## LIMITATIONS ON COVERAGE

This service contract will cover one digital or video camera body and one built in or external lens. An additional service contract must be purchased for each additional lens or electronic flash. This service contract does not cover batteries, lens caps, power adapters, memory cards, tapes, software, DVDs, remotes, docking stations, cables, accessories, filters or sensor cleaning.

## ITEMS NOT COVERED

- Item damaged beyond recognition
- Item damaged by fire
- Item lost or stolen
- Item where ownership is transferred
- Item where the serial number has been altered or removed
- Photographic flying objects: drones, quadcopters etc. or cameras used with photographic flying objects

## LIMITATIONS ON LIABILITY

Neither Foto Source Canada Inc. nor any Foto Source Member store will be liable for loss or profits (revenue), inconvenience, replacement rental equipment costs, direct, indirect or consequential damages, loss or damage to software and/or digital media. If the item cannot be restored to manufacturer's specifications, damage is beyond economic repair or if the item has been repaired 3 times for the same repair issue, Foto Source Canada Inc., in its sole discretion, may determine to replace the item with the same or equivalent model, and this service contract will only cover manufacturer's defects for the balance of the contract.

**THIS SERVICE CONTRACT IS NOT AN INSURANCE POLICY NOR A WARRANTY**
