SMALL GESTURES CAN MAKE A BIG DIFFERENCE

Making sure every child feels seen
and celebrated on their birthday

ONLY A MUSTARD SEED

MORE THAN A CAKE

A birthday is one day of the year that belongs specifically to a child.

For a child experiencing instability, separation, abuse, foster care, or another difficult circumstance, being remembered on that day can be especially meaningful.

We can't change everything a child may be walking through.
But we can make sure their birthday feels like their birthday.
