

PULLING TOGETHER FOR A STRONGER COMMUNITY

On October 24, United Way of Harrison and Doddridge Counties will bring the community together for the Fire Truck Pull, an exciting team competition where participants will test their strength, teamwork, and determination by pulling a full-size fire truck.

Following the success of last year's Plane Pull, this unique event launches support for United Way's 2027 Campaign. Teams, volunteers, spectators, and local businesses will come together for a day of friendly competition and community spirit, all while raising funds to support programs and services that improve lives throughout Harrison and Doddridge Counties.

As a sponsor, you'll demonstrate your commitment to our community while gaining valuable visibility through event promotions, social media recognition, media outreach, and event signage. Most importantly, your support will help United Way continue bringing people together to address local needs and create lasting impact.

We hope you'll join us as we pull together for a stronger community and a successful 2027 Campaign.
