HULLEMAN acts as data controller within the meaning of the General Data Protection Regulation (GDPR).

Privacy & personal data

At HULLEMAN, we handle personal data with care and confidentiality.

In this privacy policy, we explain which data we process, why we process it and how we handle it.

What personal data we process

We only process personal data that you actively provide, for example when you:

- contact us by e-mail or via the contact form
- request an introductory meeting
- request information about our services

This may include, among other things:

- Name
- Company name
- Position
- E-mail address
- Phone number
- Content of correspondence

Why we use this data

We use your data exclusively to:

- contact you
- respond to questions or requests
- prepare and carry out collaborations
- comply with legal obligations

Legal basis for processing

We process personal data based on:

- the performance of an agreement
- legitimate interest (such as business communication)
- legal obligations

Retention period

We do not retain personal data longer than necessary for the purposes stated above, unless a statutory retention obligation requires otherwise.

Sharing data

We do not share your data with third parties for commercial purposes.

Data may only be shared when necessary for the provision of our services or when legally required.

In such cases, we ensure appropriate protection and confidentiality.

Security

We take appropriate technical and organizational measures to protect personal data against loss, misuse or unauthorized access.

Your rights

You have the right to:

- access your personal data
- have your data corrected
- have your data deleted
- object to processing

You can contact us for this purpose via:

contact@hullemanadvisory.com

You also have the right to lodge a complaint with the relevant data protection authority.

Cookies

This website uses only functional and, where applicable, limited analytical cookies.

No tracking or marketing cookies are placed without your consent.

Changes

This privacy policy may be amended if legislation or services change.

The most current version is always available on this website.

Human approach

HULLEMAN works from a human-centered approach — also in the way data is handled.

Trust, care and clarity are central to that approach.
