STATE OF MICHIGAN
OFFICE OF THE GOVERNOR
LANSING

GARLIN GILCHRIST II
LT. GOVERNOR

July 1, 2026

Dear Friends,

It's county fair season, Michigan! Grab your family and friends and head down to one of Michigan's 80+ county fairs happening in communities across our state during the 2026 fair season.

From the grandstand concerts at the Ionia Free Fair, one the nation's largest free-admission fairs, to classic livestock shows and agricultural exhibits at the Hillsdale County Fair, Michigan's county fairs feature learning and fun for the whole family.

There's something special about our communities coming together each year for their county fairs and celebrating what makes Michigan such a great place to live—our vibrant communities, rich agricultural heritage, and hardworking families. Whether you're enjoying local foods, cheering on the next generation of 4-H stars and future leaders of Michigan's agricultural industry, or just soaking in the excitement, I have no doubt that you will have a great time at your local county fair.

As your Governor, I am proud of the hard work and passion that goes into the exhibits and projects showcased at our county fairs. I want to thank all the sponsors, exhibitors, or fairgoers for supporting your community.

Sincerely,

A handwritten signature in cursive script that reads "Gretchen Whitmer".

Gretchen Whitmer
Governor of Michigan

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF AGRICULTURE
AND RURAL DEVELOPMENT

DR. TIM BORING
DIRECTOR

Dear Friends,

On behalf of Michigan's fair industry, welcome to the 2026 county fair season!

Millions of people attend Michigan's county fairs each year, enjoying the sights, sounds, and activities that have become an annual tradition across the state.

Michigan's county fairs are cornerstones of social and cultural community identity. These annual events bring people together and maintain essential connections to rural traditions at a time when people are increasingly disconnected from agriculture and food production. Our state's more than 80 local, county, and state fairs provide safe, family-friendly entertainment and celebrate our important agricultural heritage.

County fairs also support nearly 50,000 Michigan youth who participate in livestock and community art exhibitions each year. These youth activities are meaningful educational and professional development opportunities and build lifelong connections with agriculture. The support provided by local businesses and families also provides meaningful resources for continuing education.

Since 2019, MDARD has delivered more than \$7.9 million in grants to help county fairs build grandstands, livestock barns, and other infrastructure and to support livestock and commodity exhibitions. For 2026, MDARD launched a new grant program to help county fairs invest in water infrastructure upgrades including water lines, wells, and filtration systems. And MDARD continues to support the safety and success of county fairs by licensing and inspecting food vendors, performing animal health inspections, and delivering educational programming.

Whether you are here as a sponsor, exhibitor, or fairgoer, many family memories await you. I wish you great adventures during the 2026 fair season.

Sincerely,

Dr. Tim Boring
Director

LIVESTOCK EXHIBITION CODE OF CONDUCT

The Chelsea Community Fair Board has developed the following CODE OF CONDUCT as it relates to animal exhibitions at the Chelsea Community Fair.

The Chelsea Fair Board expect courteous and orderly conduct by exhibitors and attendants. Harassment, profanity or unsportsmanlike conduct toward officials, judges, show managers, staff, superintendents or other exhibitors will not be tolerated.

SPECIAL CONSIDERATION FOR HANDICAPPED YOUTH:

Special consideration in judging will be given to exhibitors identified on fair entry forms as having handicap(s), (physical, mental, emotional, and/or learning), which affect their ability to compete effectively with non-handicapped exhibitors.

During the fair, it is the individual member's responsibility to prepare his/her animal for show. Members may only be ASSISTED in this preparation by club leaders, club members, or immediate family members (parents, guardians, brothers, sisters).

All animals at the Chelsea Community Fair will be checked by the club superintendent(s) for proper identification prior to showing or sale.

All market livestock, after it is tagged and registered as a club member's animal, shall be kept at their place of residence. Any exception to this rule must receive approval from the Club Superintendent and/or the Chelsea Community Fair Livestock Rules Committee prior to the movement of the animal. Any tagged and registered animal may be inspected at the club member's residence by the club superintendent or Livestock Rules Committee Member, given a one hour notice prior to inspection.

All exhibitors selling animals in the Chelsea Community Fair Livestock Auction must be YQCA certified for the current year (Youth for the Quality Care of Animals).

All exhibitors of livestock at the Chelsea Community Fair are expected to keep the area around their animal (pen/stall) clean and presentable for the duration of the fair. Exhibitors are also expected to properly care for his/her animal for the duration of the fair, (feed, water, clean bedding). Failure to properly care for their animal during the fair will cause the exhibitor to be disqualified from this year's fair, and suspended from the next Chelsea Community Fair. Violation of this rule will be determined by the Chelsea Community Fair Livestock Rules Committee.

"COACHING" of a given exhibitor while he/she is in the show ring is PROHIBITED. Coaching includes, but is not limited to, providing any type of verbal and/or visual information/signals intended to direct the actions of a given exhibitor and thereby improve his/her potential for placing in the class. Exhibitors determined to be the intended recipient of said coaching activities may be disqualified from the class at the discretion of the Show Officials or Livestock Rules Committee.

An exhibitor and his/her animal may be excused from the ring, at the discretion of the judge or show superintendent if the behavior of the animal is deemed to be a safety hazard and/or is seriously affecting the ability of the other exhibitors to show their animals.

Animals entered in the showmanship classes are to be shown by the club member only. Since judging in the showmanship classes is based on the member's ability to fit and show his /her animal to its best advantage, adult assistance may only be provided to secure and return a "run-away" animal to the exhibitor, with the assistance preferably being provided by show personnel.

Animals entered in the breeding stock or market livestock classes may be shown by someone other than the exhibitor (club member) in the event of a personal emergency or a scheduling conflict that prevents the exhibitor (club member) from being present to show his/her own animal. The "substitute exhibitor" **MUST BE** another club member. Any "substitute exhibitor" must first be approved by the club superintendent(s). Additionally, an adult may assist the exhibitor in the ring in the event of an unruly animal.

"Assistant handlers" will be allowed in the show ring in classes showing a pen of animals (sheep/swine).

These assistants must be a current member of a livestock club at the Chelsea Community Fair or a Chelsea Community Fair Youth Livestock exhibitor of the current year

ANY VIOLATION OF THE FOLLOWING RULE WILL AUTOMATICALLY RESULT IN DISQUALIFICATION;

The use of any drug or chemical compound that is not approved by the Food and Drug Administration for use in meat animals is prohibited. The illegal administration of approved drugs and compounds is also prohibited. All animals entered in the Chelsea Community Fair are subject to blood, urine and tissue tests by the Livestock Rules Committee, FDA and USDA for illegal substances and substances that exceed the acceptable levels established by the United States Department of Agriculture, the Food and Drug Administration, the Food Animal Residue Avoidance Databank and Environmental Protection Agency. A positive test will result in disqualification. The exhibitor shall assume full responsibility for any violation of regulations related to drugs and medications to include withdrawal times and condemnation or carcasses due to drug rule-regulations violations. This includes forfeiture of all premiums and market value of animal. All premiums will be withheld until tests have been completed.

Artificial means of adding, removing and/or remedying physical defects and/or conformation in animal exhibits including, but not limited to, lifting and/or filling under the skin; beating and/or striking and/or icing of an animal to make it tense its muscles and feel firmer when handled by the judges to determine amount and firmness of muscling and/or to "fill" an area as a result of swelling; use of pain inducing compounds and/or equipment; false switches; hair not growing naturally in the specific location; and painting, dyeing or bleaching of hair to change its' color will be considered fraud and deception. The decision of the designated official(s) shall be final as to the existence of the above conditions; and, the animal(s) in question will be disqualified.

Show sticks, whips, bats, crops and spurs may be used in accordance with their intended use as show aids, as class rules allow. However, improper, abusive use of show aids will not be tolerated.

Tampering (altering) and/or misrepresentation as to ownership, breeding, age, preparation and/or other irregularity in exhibiting will be considered fraud and deception.

If the Chelsea Community Fair Livestock Rules Committee suspects substance abuse regarding livestock, they may require the animal to be subject to examination and/or test, as prescribed, to determine if a substance has been administered to an animal to alter its' conformation and/or temperament. Administering of said substances will be considered fraud and deception.

If an illegal substance (as defined in the paragraph above) is found to be present in urine, blood and/or tissue samples taken from a given exhibitor's animal(s), payment for said testing will be the responsibility of the exhibitor and/or his/her family. If tests for suspected illegal substances are negative, payment for said testing will be paid by the Chelsea Community Fair Board or the person making the formal complaint

ANIMAL EXHIBITOR DRESS CODE:

Exhibitors may NOT wear medals/pins, shirts, T-shirts, jackets, coats or apparel which displays a farm name or title/award(s) won by the exhibitor, or which represent that the exhibitor is involved with and/or a name or member of a particular species/breed association while exhibiting in any animal classes at the Chelsea Community Fair. Exhibitors MAY wear clothing which represent membership in a particular Chelsea Community Fair Club.

NOTE: Volunteers working at the fair as show superintendents, announcers, ring stewards or judging clerks may NOT wear articles of clothing which associate them with a particular farm, or specie/breed association.

The intent of the animal exhibitor dress code is to make exhibitors as "equal" as possible when they enter the show ring with their animal(s), and to reduce the potential for the perception existing that a member may have received preferential treatment in class placing due to the exhibitor's "advertised" association with a particular farm and/or specie/breed association.

In a like fashion, the rule regarding volunteers assisting with fair livestock shows is intended to help protect the volunteer (and youth associated with him/her through family and/or farm) from the suggestion being made that his/her child or club member under his/her leadership received preferential treatment in class placing due to some "advertised" connection between the exhibitor and the volunteer working in the show ring.

PENALTIES FOR MISCONDUCT:

When satisfactory evidence has been obtained that a Chelsea Community Fair rule has been violated, and/or fraud and/or deception has occurred in association with exhibiting in the Chelsea Community Fair, any or all of the following actions may be taken:

1. The animal(s) in question shall be disqualified.
2. Any and/or all other animals or exhibits at the Chelsea Community Fair of the exhibitor may be disqualified.
3. All premiums, trophies, awards and/or money won by said exhibitor in any other Chelsea Community Fair department may be withdrawn.
4. The exhibitor and/or the exhibitor's family may be barred from club membership, and/or competition at the Chelsea Community Fair for a period up to life.

Should fraud or deception be discovered or if a Code of Conduct Rule is violated PRIOR TO FINAL PLACING BY THE JUDGE, the animal will be declared ineligible to show, and the exhibitor will be required to remove the animal(s) in question from the fairgrounds.

Should fraud or deception be discovered or if a Code of Conduct Rule is violated AFTER AN ANIMAL(S) HAS BEEN JUDGED, the placing(s) will be voided and the exhibitor required to remove the animal(s) in question from the fairgrounds. In the case of fraud or deception discovered after MARKET LIVESTOCK have been judged and prior to sale in the appropriate Chelsea Community Fair Livestock Sale, the placing(s) will be voided, and the animal(s) in question will not be permitted to sell in the sale. The exhibitor will be required to remove the market animal(s) in question from the fairgrounds.

Should fraud or deception be discovered or if a Code of Conduct Rule is violated AFTER A MARKET ANIMAL(S) HAS BEEN SOLD in the Chelsea Community Fair Livestock Sale, all sale money associated as a reward shall be removed from the total sale price of the animal(s) and retained by the Chelsea Community Fair Livestock Rules Committee as a penalty for the action. The money provided the exhibitor will be that of the sale day's market value as determined by a majority decision of the Chelsea Community Fair Board. Other animals will not be moved up in placing. In case any reward has already been awarded, the Chelsea Community Fair Board of Directors will require said exhibitor(s) to refund all premiums, trophies, awards, ribbons and/or sale money under the assessed penalty.

HANDLING OF COMPLAINTS:

Chelsea fair club members, leaders, and/or parents compelled to bring a Chelsea Community Fair rules violation complaint against a given member(s) will be required to complete and sign a Chelsea

Community Fair Rules Violation Complaint Form, stating the reason(s) and alleged grounds for registering the complaint.

Any member(s) against whom a Chelsea Community Fair Rules violation complaint has been filed will have the right to read the complaint form.

The Chelsea Community Fair Livestock Rules Committee reserves the right to determine whether sufficient evidence exists to merit further action.

DUE PROCESS:

In question of rule(s) violation in association with exhibiting animals at the Chelsea Community Fair, the following due process will be used:

1. The exhibitor and/or parties involved will be questioned by the appropriate officials, regarding the alleged rule violation(s).
2. If it is determined that a rule(s) violation has occurred, the Chelsea Community Fair Livestock Rules Committee will jointly decide if a ruling can be rendered immediately, or if the violation should be brought before the Chelsea Community Fair Board of Directors for a ruling.
3. If, for reasons of further inquiry, a decision regarding a rules violation claim cannot be rendered until some future time following the fair, all parties involved will be notified by certified mail, with return receipt, of the Chelsea Community Fair Livestock Rules Committee's decision.
4. Club members have the right to appeal the levying of a Chelsea Community Fair rule(s) violation penalty(ies) associated with animal exhibition at the fair according to the following process:
 - a. The member must request a hearing before the Chelsea Community Fair Livestock Rules Committee. Request must be made in writing to the Chelsea Community Fair Board of Directors.
 - b. All parties involved will be notified by certified mail, with return receipt, of the hearing date, time and location.
 - c. All parties involved will have the right to present their case as to why he/she/they feel the penalty(ies) should be reconsidered.
 - d. All parties involved will be notified in writing within ten (10) business days by certified mail, with return receipt, of the Chelsea Community Fair Livestock Rules Committee's decision regarding the appeal.

SICK ANIMALS:

It is the exhibitor's responsibility to obtain a veterinarian to care for their animal(s), if required.

The Chelsea Community Fair Livestock Rules Committee reserve the right to require a veterinarian's opinion on the health and/or carcass marketability of any animal prior to the show and/or livestock sale.

LOADING OF AUCTIONED ANIMALS:

No animal will be loaded for transport without the approval of a Chelsea Community Fair Board Sale Committee or their designate.

RULES COMMITTEE:

A committee will be formed to review the Chelsea Community Fair Code of Conduct as it relates to animal

LAMB CLUB RULES AND REGULATIONS

1. The name of the organization shall be the Chelsea-Dexter School District Lamb Club. The organization shall be governed by two or three superintendents who are appointed annually by the Chelsea Community Fair Board.
2. This club will be open to youth who live in or attend the Chelsea, Dexter, or Grass Lake School Districts.
3. Members must be six (6) years old on or before December 31 of the current fair year with the last year of eligibility being your senior year in high school.
4. All lambs shall be in the member's possession by the first week in May, when there will be an announced weigh-in at the Chelsea Community Fairgrounds. Only wether and ewe lambs are eligible to be weighed-in and tagged, no uncastrated lambs.
5. Ownership will be established at Spring Weigh-in/Tagging day and cannot be changed or traded thereafter.
6. Lambs will be tagged at Spring Weigh-in and must have those tags in for Fair Weigh-in and the Livestock Sale. Any damaged, lost, or torn out tags must be immediately reported to the Lamb Club superintendent(s) so that lambs can be retagged or the lamb(s) will be ineligible.
7. Lambs must weigh 90 pounds or less at Spring Weigh-in/tagging. Lambs weighing over 90 pounds are not considered an eligible lamb club project and will not be tagged.
8. Each member can weigh in four lambs, but can only show and sell two lambs.
9. Lambs are ineligible if, after Spring weigh-in and before the fair, they are consigned or resold at or through another auction or in any other type of transaction, even if the exhibitor "buys back" his/her animal(s).
10. Lambs weighing under 90 pounds at Fair Weigh-in can be shown in the lightweight class and in showmanship but will not earn a market class premium and will not be sold in the auction.
11. There is no limit on top end weight at Fair Weigh-in. Lambs weighing over 160 pounds at Fair Weigh-in can be shown and sold, but the auction buyer will only pay for a maximum of 160 pounds.
12. Lambs will be sold by order of placing in different classes as established by the superintendent(s).
13. An on-site inspection, by the Lamb Club Superintendent(s) may be made of the facilities where the lambs are registered as housed at any time after Spring Weigh-in/Tagging and prior to the fair to verify residency and possession of the livestock.
14. Fair Weigh-in for assignment to individual and pen market classes will take place upon arrival at the Fair on Tuesday, the opening day of the Fair.
15. Prior to Fair Weigh-in, lambs shall be trimmed to the best of the member's ability with the bodies slick shorn within ten (10) days before the fair.
16. There must be a family representative at both Spring and Fair Weigh-in or the lamb(s) will not be weighed. Any problem with attendance must be cleared with the Superintendent prior to weigh-ins.
17. Dues will be established as needed.
18. Each member may maintain a set of records on their lamb(s) as recommended by the Board of Directors of the Chelsea Community Fair. Records are optional and should be turned in to the Superintendent by 12:00 noon on the Wednesday of the current fair week. An end price and date of sale will be established before this date.
19. Every member must show in the appropriate showmanship class as listed in the fair book, unless a member has prior permission from the superintendent not to show.

DEPARTMENT 90 - CHILDREN'S PARADE

Tuesday, 5:30 p.m.

Chelsea Kiwanis Club and CHS Key Club, Sponsors

Superintendent: Sam Vogel (734)478-6272 or Bob Milbodt milbrodt2@juno.com

As has been the tradition for over four decades, the Chelsea Community Fair will kick off with the Children's Fair Parade. Superintendent Sam Vogel has been officiating this annual favorite for over 40 years and the Chelsea Community Fair Board as well as the Community of Chelsea thank him for his decades of volunteer work.

The parade is for young children, ages 3 – 12, with decorated bikes, wagons, etc., to ride and walk from downtown Chelsea to the Fairgrounds where kids' games and other activities await their arrival.

The parade will form in the municipal lot behind the Common Grill. The route will proceed west on W. Middle St. to Grant St. Left on Grant and proceeds to Pierce St. and then right on Taylor St. The route will cross Old US 12 and proceed down Chelsea-Manchester Rd. to the lower gate into the Fairgrounds. The lower gate is being used in hopes of alleviating some of the crowds at the front gate.

Judging of decorated bikes, wagons, etc. will begin at 5:00 pm with parade stepping off at 5:30. Last year's Fair Queen and this year's Fair Queen candidates will lead the parade. Parents are reminded that for the safety of everyone, they should walk with younger children in the parade.

NO GAS POWERED vehicles or horses are allowed to intermingle with the children during the parade. Parents with questions can contact Sam Vogel, Kiwanis Key Club Advisor, at (734) 478-6272. The parade is sponsored and supervised by the Chelsea High Key Club and the Chelsea Kiwanis Club.
