Our coaches range from professional, collegiate, and various playing and coaching experiences from several different continents. They are not only mentors, educators, players, and role models to our players, but they are also consistent students of the game as well. They constantly seek to continue their education regularly on their own seeking educational experiences from USSF, USC, UEFA, FA, and more.

Eastern's Residential Camp is now located at Bryn Athyn College, just 14 miles north of Center City, Philadelphia, on a historic 130-acre campus. Our goal is to provide your child with a fun, enriching experience through a wide range of activities that develop new skills and enhance existing ones. Our progressive coaching curriculum, designed in partnership with Blackburn Rovers, focuses on improving technique, tactical understanding, fitness, and attitude in a fun-filled setting. With a reputation as one of America's premier soccer education providers, our success is built on an exceptional coaching staff from the US and the UK, chosen for their experience, technical expertise, and motivational skills. Join us for an unforgettable experience.
