CAMP is BACK

Dear Parents and Players, the eyes of the world will be on soccer this summer as the FIFA World Cup 2026 kicks off from June 11 to July 19. This will be the largest tournament in history, featuring 48 teams and 104 matches, and for the first time ever, it will be hosted across three nations: Canada, Mexico, and the United States.

Why not take that excitement and enhance your own game by joining Eastern Soccer Academy's 49th year at beautiful Bryn Athyn College in Philadelphia, PA. For nearly five decades, Eastern Soccer Academy has been recognized as a leader among soccer camps, providing campers with a personalized soccer education.

Our reputation is built on bringing together the finest coaching staff from both the United Kingdom and the United States. Professionals selected for their experience, motivational approach, teaching skills, and ability to serve as positive role models. Our Eastern Soccer Academy coaching system is designed to help every camper learn new skills, strengthen existing abilities, and gain a deeper understanding of the game.

With simple, fun, and effective teaching methods, players improve while enjoying the world's most beautiful game in a warm, safe, and supportive environment. We look forward to seeing you this summer!

Our coaches range from professional, collegiate, and various playing and coaching experiences from several different continents. They're not only mentors, educators, players, and role models to our players, but they are also consistent students of the game as well. They constantly seek to continue their education regularly on their own seeking educational experiences from USSF, USC, UEFA, FA, and more.
