PERFECTION

It doesn't get better than perfect. The Perfection Leather Volleyball is our top-of-the-line volleyball. Designed from the inside out with the athlete in mind, we've refined every detail to create a ball worthy of being the Official Court Volleyball of the AVCA.

HAND-PICKED LEATHER

Top-grade, full-grain leather creates a more durable cover while our innovative leather tanning process softens the leather to reduce sting.

REINFORCED STRENGTH

We use the lightest bladder possible, providing optimum weight and performance with a blended cotton wrap ensuring maximum shape retention.

CONSISTENT FEEL

Hit any part of the Perfection and you're guaranteed the same, soft feel every time. By minimizing and softening the valve system, it's completely undetectable during play.
