HP ATHLETES-

*I wanted to take a second and write a note as we post the tryout results. I can tell you that we have re-evaluated our lists multiple times, re-evaluated reports and spent multiple long nights to get to our invite list here. After countless hours, these decisions were extremely difficult. To those who did not make it, it is ok. This was a long, exhaustive process. The decisions made sometimes came down to space issues, looking at the HP game and differences between club and high school rules and adaptations. We always say, "fall down seven times but get up eight." Do not get too discouraged. It is ok to not make a goal but not ok to quit trying. Keep improving, keep striving and keep moving forward. To those athletes who did make it, congratulations, we are excited to have you. Please make sure to follow instructions as stated and confirm as soon as possible. **DO NOT** let finances be an issue. If you need to talk to anyone about it, please talk to either Molly or myself to make it work!*

Lastly, I wanted to take a minute and thank our HP staff and Region staff for their countless hours and work that go in behind the scenes. This program would not be at its national prominence if not for their tireless effort. Molly MacQueeney, our HP coordinator, oversees all the registration and rentals and other items many people never see. Brett Myres, our Region Commissioner, is fully behind HP. Carol Anderson for always being able to find and fix registration issues. Lynne Updegraff, our retired commissioner who more than 16 years ago believed in our process enough to start Iowa down this path. It is because of these people and MANY more volunteers that this program is what it is.

~ KURT TROUT, HIGH PERFORMANCE DIRECTOR
