

2027 Iowa Junior Regional Championships:

REGISTRATION BEGINS DECEMBER 1 at NOON

Registration for all divisions will be open from **NOON**: December 1st to January 31st or until the divisions are full (whichever happens first). If a division is full, the team may sign up for a different division it is eligible for. You may place your team on the waitlist if your division is full. If a spot opens, your team may be moved to that new division. All divisions have limited space and may fill up before the deadline.

Teams may register without payment until the registration end date, January 31st. All payments are due by January 31st for all weekends. Any teams that have not paid or made payment arrangements will be removed from the division and put on a waitlist. Once payment is made and if a spot is available, the team will be moved back into the event. If no spot is available, they will remain on the waitlist until there is an opening. Any team on the waitlist will need to pay their entry fee immediately, or the spot will go to the next team on the list. You may pay by check to the region office, or by credit card or ACH payment when you register your teams on TM2Sign.

Any teams requesting to drop will receive a full refund until January 31st. After January 31st, teams will only be refunded if a replacement team is found.

Rosters do not need to be completed to register for the event. You must have the teams and their proper team codes in TM2Sign before registration. TM2Sign is able to sync all teams and rosters that are created in SportsEngine. Please have your teams created in SportsEngine and synced to TM2Sign BEFORE registering teams. Rosters do not have to be completed to sync.

Club Directors can find all help information for TM2Sign on the regional championships page of our website, or you may contact TM2Sign using the help button (blue question mark) on the Tm2Sign website.

Sub-clubs must register their teams with the login information from the main club. **DO NOT CREATE OR USE ANOTHER ACCOUNT.** This is the only way to properly sync the information from SportsEngine to the TM2Sign system.

Junior Regional Championships Information: <https://www.iowavbregion.org/junior-regionals>

- Only teams that are registered in the Iowa Region may participate in the Iowa Regional Championships.
- All Dates / Divisions / Bid Information can be found on the website. Bids to Nationals will only be given out in the Qualifying Divisions. Gold/Silver divisions do not have bids to Nationals.
- 15U - 18U Girls Qualifying Divisions - Teams are required to participate in a Region Qualifying Tournament. Tournaments may be found on the Iowa Region tournament website.
- Any team that Qualifies in an Open Division before the Regional Championships is not eligible to participate in the Qualifying Divisions at Regionals. If a team wins an open bid

before the championships, they will be removed from the division and their entry fee refunded.

- For Girls Qualifying Divisions:
 - By entering into the Qualifying Division you are REQUIRED to accept a bid for the USAV JNC's at Regional Championships. If a team declines an earned bid at the Region Championships, the club will be fined \$1000. If a club declines multiple bids, the fine will increase by \$500 for each team (Ex, one team - \$1000, 2 teams - \$2500, 3 teams \$4500). If fines are not paid, club will not be able to have sanctioned tournaments and will not be able to register for Regionals until all fines are paid.
- For Boys Qualifying Divisions:
 - In order to grow the game, the boys teams are not mandated to accept a bid to the Boys JNC. However, to participate in the boys divisions at Regionals, the rosters must follow the USAV national qualifying rules and regulations.
- For Non-Qualifying Divisions (Gold / Silver):
 - There are no bids awarded for USAV JNC in the Gold and Silver Divisions.
- Any team that leaves the tournament early will be fined \$1000.

Hotel Information: <https://www.iowavbregion.org/hotel-information>

- The Iowa Region has partnered with EventConnect for your lodging needs for our Regional Championships this season. We are excited about the experience and customer service they will add to the event. Please use the links above to reserve hotel rooms. Please see the links and information below for help. The Region office will not be able to assist you with any reservations. All reservations and questions must go through EventConnect.

 - 18's – May 7-9, 2027 – Minneapolis, MN

Patriot Divisions Return for the 2027 Season -

USA Volleyball is excited to announce the return of Patriot Divisions at the 2027 Girls Junior National Championships. Patriot Divisions will be offered as pay-to-play divisions at all three GJNC events and will be available for teams in the 10–18 age groups.

Yes—10s are included!

Patriot Divisions are designed for teams that intend to pursue a bid through the Girls Junior National Championship qualification process. Teams that compete for a bid but do not earn one will have an opportunity to participate in a high-level, national championship environment and close their season at an event that reflects the competitive standard and experience associated with GJNC.

Patriot Divisions will also provide additional flexibility in the event of late withdrawals from bid divisions, helping USA Volleyball maintain full and competitive fields wherever possible.

Please note: Teams may not be registered for both the Girls Junior Club Championship and a Patriot Division at a Girls Junior National Championship event during the same season. Teams are limited to one non-bid championship event registration per season.

2027 Patriot Division Capacity

Event	Location	Age Group	Patriot Division Capacity
GJNC 11–13s	Chicago, Illinois	10 Patriot	16 teams
GJNC 11–13s	Chicago, Illinois	11 Patriot	24 teams
