

Club Staff,

Just a few reminders about the upcoming season.

- d. Unfortunately, the tournament description cannot be posted during the pre-registration time with links going out. The location, date and tournament director are on the sign-up page. Coaches can click the tournament director's name, and their email will pop up to reach out to see availability. The description will come back after the pre-registration time is done.
- e. Team Codes: Please understand that giving the exact team code to tournament directors is crucial to them and your team in order to make sure that the team is legitimate as well as the right team receiving their results. If for some reason you don't have it and give a fake code or wrong code, you will need to reach out to that tournament director as soon as you know the correct code.
 - i. Example: G-14-VOLEY-1-IA OR B-14-VOLEY-1-IA
 1. First Letter is either a G or B which stands for Girls or Boys.
 2. (14) Next two digits are for the age division of the team.
 3. (VOLEY) Next 5 digits is the club code.
 4. (1) Next digit is for the team rank. There could be clubs that have more than 9 teams in an age division so that would make the team code 12 digits.
 5. (IA) Last two digits are for the Region that the team is with; IA-Iowa. Here is a list of surrounding region abbreviations for help: BG-Badger, GL-Great Lakes, GP-Great Plains, NO-North Country, HA-Heart of America, GW-Gateway.
 6. Iowa Select 14 Mizuno
 7. G14ISLCT1IA
- f. If you have a tournament question, please contact devon@iavbreg.org.

2. Insurance Requests:

- a. Devon has sent out emails to every club director that has been activated with your current facilities that are in the system. If you haven't responded, please find that email and send her the ones that you will need for this season.
- b. Only put NEW facilities in the Insurance Request Form, previous facilities are already in the system. If you need a certificate for your current facilities, please email devon@iavbreg.org and she will get them to you.
