## RULE CORNER

### USAV 20.3: Filming and Recording of Matches

20.3.1 Players on the court are not permitted to wear microphones. If the referee(s) discover a player on the court wearing a microphone, the match is stopped, and the player is asked to take off the microphone. The offending team is issued a delay warning due to unauthorized equipment. If this is a team's second delay sanction, the team receives a delay penalty (loss of rally and point to the opponent).

20.3.2 Coaches and team members on the bench are allowed to record audio and video for use by the team. Audio or video recordings may NOT be used as a way to intimidate, demoralize, or bully other teams, officials, or spectators. Additionally, teams may not record a conversation with a referee or the work team. If a team is found recording the officials or the work team, the team is issued a delay sanction.

20.3.3 Teams may not post any audio and/or video in a public forum (including social media accounts) with the intent of making fun of, criticizing, or mocking the officials, the opponent, or the tournament. Discovery of such audio and/or video will result in penalties as determined by USA Volleyball.

## MEMBERSHIP

Memberships for the 2025-26 Season will be available starting September 1<sup>st</sup>. To purchase or upgrade your membership, please wait until you have received a link from your club. That link will take you through the membership process and connect you into the clubs HQ. Tryout memberships are available on the region website. Click below for more details.

# ACE (Acts of Community Excellence)

In our region, we believe in bettering the ball—and bettering each other. Share a moment when someone went above and beyond to make the volleyball environment more positive, supportive, or inclusive. If you witnessed a coach, athlete, official, parent, or volunteer making a positive impact, we'd love to hear about it! Your shout-out helps us celebrate the moments that make our community stronger.

Please scan the QR code below to go to the form during the season.

# All-Tournament Team & State Championships

Congratulations to all teams who competed at the IGHS AU State Tournament! A special shoutout to our newly crowned State Champions from Saint Ansgar, Denver, Assumption, North Scott & Waukee Northwest!

# New Boys Programming Director

Please help us in welcoming Jaime Araiza as our new Iowa Region Boys Programming Director. As a native of Anthony, New Mexico, Jaime's volleyball journey began as a player in his home region before he went on to compete at the collegiate level with the inaugural program at Mount Mercy University.

Jaime is currently the Varsity Head Coach for the CR Washington High School girls' team. He is dedicated to expanding the sport for young men across Iowa, leveraging his administrative and on-court expertise to drive growth and development in the region. As a proactive leader, Jaime's singular focus is seeing the sport flourish for future generations of players in the Iowa Region, and he is ready to promote USA Volleyball and regional events.

You may contact him at [jaime@iavbreg.org](mailto:jaime@iavbreg.org).
