

Chocolate-Covered Strawberry Order Form

The sale of chocolate-covered strawberries is a traditional event for the ninth years of the Montessori School of Lake Forest's Adolescent Program. The profits collected are added to other fundraising monies to help cover their annual trip to Italy, which has been a fruitful experience for many years.

If you would like to purchase strawberries to support the ninth years this Valentine's Day, please fill in your order information below.

- Half-dozen (six strawberries): \$15 dollars
