

# QUESTIONING HISTORY & SCIENCE

13 - 15 March 2026 Berkshire, Slough /Windsor

An exciting long weekend. Start on Friday 13 March with a visit to the magnificent Basildon Park asking if you believe the history presented there. Followed by a Health Workshop with Clive De Carle and David McCarthy. All in a pleasant venue close to London and Heathrow.

The conference starts on Saturday 14th with cutting-edge speakers delving into truths about Consciousness, History and Science. In the evening, join us for an Award Ceremony celebrating voices for truth. The conference continues on Sunday morning 15<sup>th</sup> with speakers offering solutions to the controls exercised over humans., from the power of prayer, the power of the Mind Light Therapy and private Trusts and challenging Criminal Conversion from living status to dead.

On Sunday afternoon, join the 'Greatest Secret' seminar revealing extraordinary truths about the Dead Sea Scrolls, the Grail, the Templars, Mona Lisa, 'Romeo and Juliet' and Rennes-le-Château.
