SafeSport Quality Control System

The USA Swimming Safe Sport program is USA Swimming's comprehensive abuse prevention program dedicated to creating a healthy and positive environment free from abuse for all its members. Components of the program include, but are not limited to, providing education and training, enforcing policies (such as the Minor Athlete Abuse Prevention Policy), rules and best practice guidelines, promoting healthy boundaries and mandatory reporting of violations.

- The Minor Athlete Abuse Prevention Policy (www.usaswimming.org/maapp) prohibits Adult Participants (as defined) from having one-on-one interactions with minor athletes which are not within an observable and interruptible distance from another adult participant. Adult Participants are required to abide by this policy in full during this meet.
- Pursuant to USA Swimming Rules and Regulations and federal law, it is every member's responsibility to immediately (i.e., within 24 hours) report any incident of child abuse, including physical or sexual abuse, to law enforcement and the U.S. Center for SafeSport. Reporting must occur when an individual has firsthand knowledge of misconduct or where specific and credible information has been received from a victim or knowledgeable third party. A report to the U.S. Center for SafeSport may be made via telephone at 833-5US-SAFE (833-587-7233) or online at www.uscenterforsafesport.org/report-a-concern. Various state laws may also require reporting to law enforcement or to a designated child protection agency.
- For information on how to report other alleged violations, including without limitation, the USA Swimming Code of Conduct and the Minor Athlete Abuse Prevention Policy, please visit www.usaswimming.org/report.
- All athletes age 18, or who turn 18 during the meet, must complete Athlete Protection Training in order to be a USA Swimming registered member in good standing by the first day of the meet. A member not in good standing will be prohibited from participating in the competition until such time as all membership requirements are completed. Times achieved by an athlete who turns age 18 on or during the meet, who competes in this USA Swimming sanctioned event without completing this membership requirement, will NOT count for qualification or recognition. This includes participation as a member of a relay.

Current USA Swimming and ISI rules, including safety and Minor Athlete Abuse Prevention Policy (MAAPP) will govern this meet. In granting this sanction, it is understood and agreed that USA Swimming shall be free of any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event. All applicable adults participating in or associated with this meet, acknowledge that they are subject to the provisions of the USA Swimming Minor Athlete Abuse Prevention Policy (MAAPP), and that they understand that compliance with MAAPP policy is a condition of participation in the conduct of this competition. A registered athlete member at a sanctioned/approved meet who is over 18 years of age or older, who had not completed the Athlete Protection Training (APT) by the date of the swim, will not be able to upload into SWIMS. These athletes will also be considered "not in good standing" and can be subject to fines under Illinois Swimming Policy 11.2.1. Underwater photography of any kind is prohibited at all times during this meet. Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. Further, those participants not proficient with a backstroke ledge must start each race from within the water, and without use of the backstroke ledge. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. Operation of a drone, or any other flying apparatus, is prohibited over the venue anytime athletes, coaches, officials and/or spectators are present. Deck changing is prohibited. Training equipment or devices are not permitted during warm-up periods at this meet.
