

CAPABILITY STATEMENT

Phoenix Protective & Marine Coating Specialists provide superior blasting & coating services to industrial, residential, commercial and mining sectors across North Queensland and the Torres Strait.

COMPANY OVERVIEW

Our MISSION is for EVERY PROJECT to be completed on time, within budget, incident free & to the highest possible standard – EVERYTIME

Phoenix Protective & Marine Coating Specialists is a Cairns based company specialising in dry abrasive blasting and the application of quality two-pack marine grade & protective coatings.

We offer our customers two (2) ways to access our services;

- 1) Visit us at our Cairns facility - our 2460m² state-of-the-art purpose-built blasting & painting facility is complete with a 20m x 5m x 5m steel grit blast booth and 2 x 5t overhead cranes.
- 2) Let us come to you – Phoenix have multiple mobile site crews which make servicing North Queensland and the Torres Strait region efficient and effective.
