Message from the Principal

Dear Parents and Families,
As we celebrate Thanksgiving, I give thanks for each of you, for your faith, support, and the many ways you enrich our school community. May this season remind us of God's abundant blessings and the joy found in gratitude and togetherness.

A Prayer of Thanksgiving
Loving God,
We thank You for the gifts of family, faith, and friendship.
Bless our homes with peace and fill our hearts with gratitude.
Through Christ our Lord. Amen.

Wishing you and your loved ones a blessed and joyful Thanksgiving!

VIRTUE=STRENGTH.

INSPIRE. ENGAGE. STRENGTHEN.

This Week

VIRTUE=STRENGTH.

WHAT IS TEMPERANCE?

The virtue of Temperance, or Moderation, is the strength that moderates the attraction of pleasures and provides balance in the use of created goods.

Practicing temperance leads to self-discipline, respect for others, and a more balanced life. It helps us live according to God's will rather than being ruled by impulses.

Phrases to Remind Us to Practice Temperance:

1. "Balance is key in all things."
2. "Less is more; quality over quantity."
3. "Think before you act."
4. "True happiness comes from moderation, not excess."
5. "Self-control today leads to strength tomorrow."

VIRTUE=STRENGTH.

WHAT IS CLEMENCY?

The strength to show mercy and understanding towards others, particularly in the context of their failings or mistakes.

Clemency is about giving second chances, just like God is gentle and merciful with us.

Examples of Clemency:

1. Pope St. Leo I (Leo the Great, 440-461): Pope Leo I is known for his diplomacy and clemency, particularly in his dealings with the Huns. In 452, he met with Attila the Hun and successfully persuaded him not to invade Rome. Leo's approach combined firmness with mercy, aiming to preserve peace without violence.
2. Pope St. John Paul II (1978-2005): Pope John Paul II visited his would-be assassin, Mehmet Ali Ağca, in 1983, where he forgave him for the assassination attempt. His commitment to peace and reconciliation was a hallmark of his papacy, emphasizing the need for mercy in the face of violence and conflict.

SPIRIT WEEK

Underground Spirit Week

Our faculty and staff dressed up for a different theme each day: Decades, Twins, Vacation, Movies, and Irish Spirit. The halls were filled with laughter and surprises as teachers showed off their costumes and proved that fun isn't just for students!

Students joined in on the excitement by trying to guess each day's theme and eagerly anticipating what the next day would bring. Their reactions, curiosity, and daily predictions added an extra layer of joy to the week.

St. Patrick School Students Join Live Message from Pope Leo

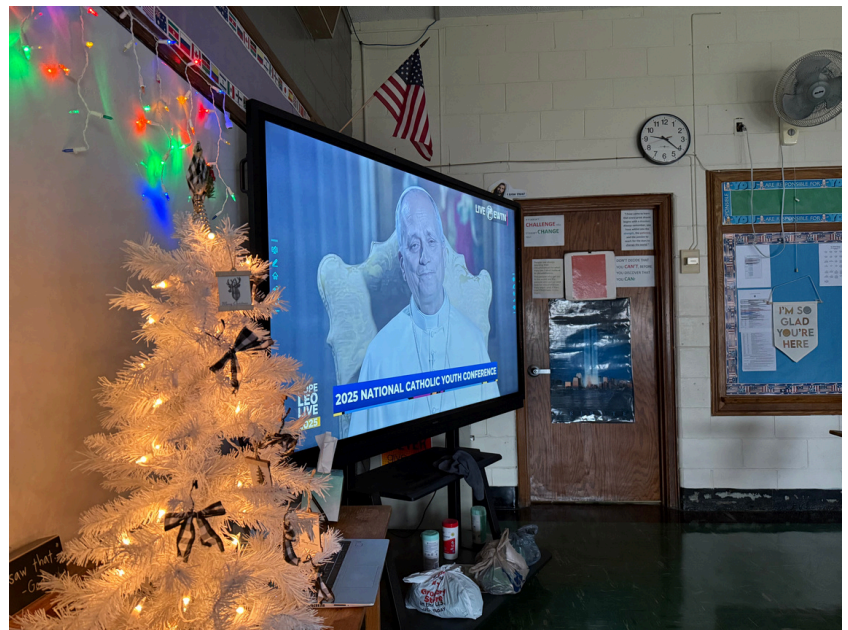

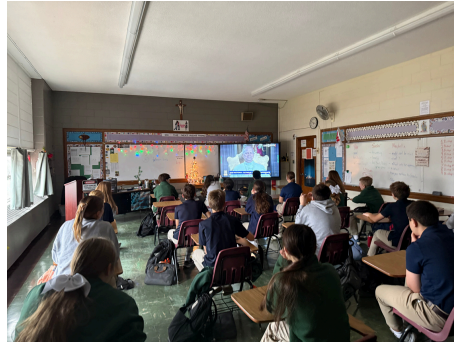

Our 5th-8th grade students at St. Patrick School participated in a special moment of faith and unity as they watched the live stream of Pope Leo XIV addressing young people during the National Catholic Youth Conference (NCYC).

NCYC is a powerful, biennial gathering that brings together tens of thousands of Catholic teens from across the United States for prayer, worship, catechesis, and community.

This year, students witnessed a historic moment as Pope Leo XIV offers a message of encouragement, hope, and faith directly to young people participating in the conference.

Pope Leo said:
“You are not only the future of our church, but you are the present.”

We are grateful for this opportunity for our students to feel connected to the wider Catholic Church and inspired in their faith journey.

Advent

Advent Begins November 30!

The beautiful season of Advent begins on Sunday, November 30, 2025, marking the start of our new Church year. During these four special weeks, we prepare our hearts for the celebration of Jesus' birth and remind ourselves to stay ready for Christ's coming at the end of time.

Advent is a season filled with hope, prayer, and joyful waiting, and there are many simple traditions families can enjoy together at home. Some favorites include lighting an Advent wreath, creating a Jesse Tree, opening daily Advent calendars, and praying the St. Andrew Christmas Novena. These practices help children experience the true meaning of the season in a hands-on and memorable way.

To support your family's Advent journey, NCEA has gathered a variety of helpful resources for teachers and parents. You can find these materials at the following link: [Advent Resources](#). May this Advent season bring peace, joy, and a renewed sense of wonder to all our families!
