Congratulations 7th grade Lady Irish again on your State Championship win in Basketball. The city has put up the sign recognizing these young athletes.

4th and 7th grade won the free dress week from the recent auction. Next week, March 27-31, the 4th graders and 7th graders may have a free dress week. Shirts must be appropriate and there may not be jeans with holes.

THE MISSION OF ST. PATRICK SCHOOL is to foster the spiritual growth and academic life of its students, faculty, and staff, and to teach children, with the cooperation of parents, a Catholic way of life.

Tetrominoes anyone? Third grade started a Math unit on area and perimeter by creating rectangles out of tetrominoes! We had so much fun that we challenged ourselves to make more rectangles than we were required to make!

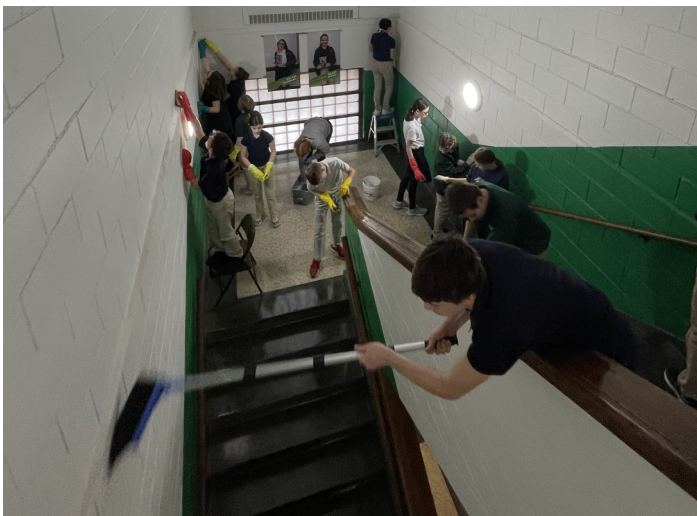

The Third Grade welcomed 12 new members to our class this week! We have enjoyed watching our chicks develop in their eggs, hatch and begin life in our brooder box. Sadly, our babies leave us on March 24 to live their best lives on a farm! What an “eggcellent” adventure we have had!

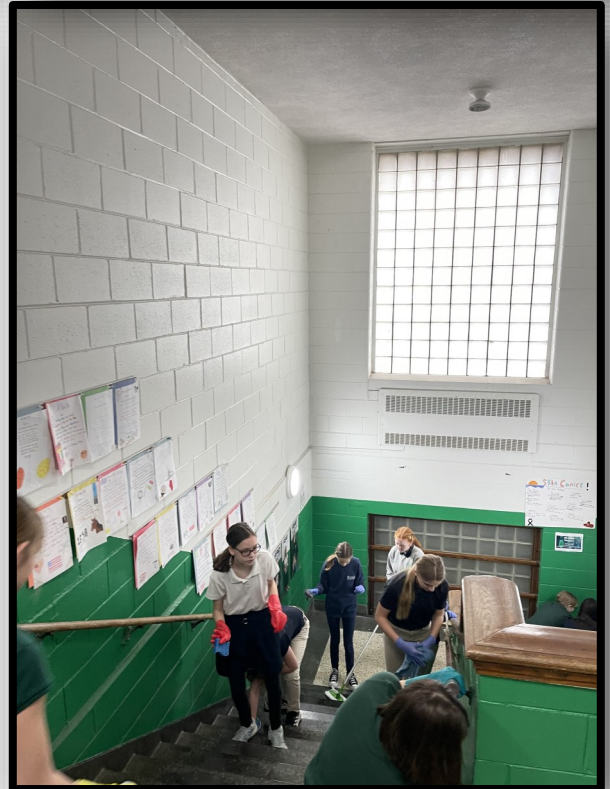

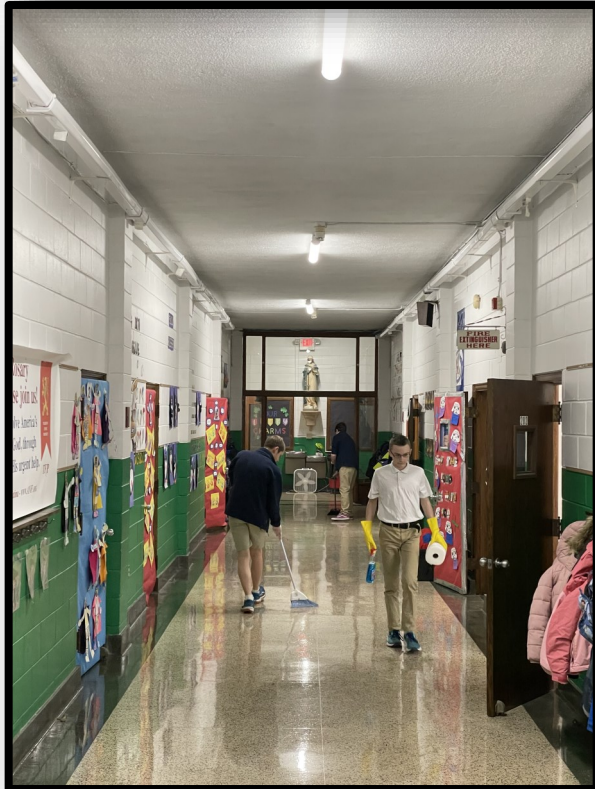

7th grade science class made fan and mousetrap cars to study potential and kinetic energy, constant speed, acceleration, torque, and momentum. Students constructed the cars then measure distance and time to determine the speed of the cars. Finally they compared constant speed to acceleration.

The 7th and 8th grade cleaning around the school and the preschool as part of their Lenten Service project.

SportsLeader, the organization that we partner with to learn about the virtues each week, even noticed the good work being done by our students. They recognized their efforts by sharing a picture of the post about their hard work cleaning.

Next Week's Virtue

VIRTUE=STRENGTH.

FORTITUDE

The virtue of Fortitude, or Courage, is the strength to do the right thing in the face of fear and/or difficulties.

Fortitude is the moral virtue that ensures firmness in difficulties and constancy in the pursuit of the good.

CCC 1808

Last Week's Virtue

VIRTUE=STRENGTH.

GENEROSITY

The strength to go beyond the call of duty.

Where can you do something extra to serve someone?

Donors are needed for the Illinois Tax Credit Scholarship. We have several students on the waiting list but not enough funds remaining in our account for a scholarship. Donors can receive 75% credit on their Illinois taxes for their donations. Check Empower Illinois donors@empowerillinois.org to donate and help a student receive a Catholic education.

Parents can also apply for a Spalding Scholarship for financial assistance. Deadline for application is April 28, 2023. Check <https://cdop.org> and click on "Catholic Education" and then select "Financial Assistance for the application process."

To the Parents and Students of St. Patrick School

As a Religion/Confirmation class project, the 7th grade is teaming up with the Tazewell County Right to Life to collect **baby food, juice, and formula** for families in need in our area. The food that we collect will be donated to Catholic Charities, Neighborhood House, the Women's Pregnancy Center, and other charitable organizations that support families that chose life.

We would be very appreciative if your child could bring baby food, juice, and/or formula to school **by Monday, March 27**. There will be a contest between classes, and the class that brings in the most baby food will receive a special treat.

We truly appreciate your prayers and support in our efforts to provide for the nutritional needs of infants and the mothers who chose life.

God bless.
