

As the temperature begins to drop, leaves fall from the trees, and snow begins to fall, please send your student with the appropriate cold weather gear. This includes a coat, hat, and gloves. We do still go outside for recess and P.E. It is important that your student stays warm while outside even if they say they will be fine.

Inside students are allowed to wear a St. Patrick fleece, uniform crew neck with embroidered school logo, or a uniform color sweater. Jackets, hoodies, sport's shirts, or other outerwear are not permitted to be worn in the classroom.

Finally the last day students are allowed to wear shorts is Monday, October 31.

THE MISSION OF ST. PATRICK SCHOOL is to foster the spiritual growth and academic life of its students, faculty, and staff, and to teach children, with the cooperation of parents, a Catholic way of life.

Free Dress Day

Next Thursday, October 27th, enjoy a FREE DRESS DAY in exchange for a small donation to the St. Pat's Parent Ministry. These donations are used to provide fun activities and treats for our students and teachers throughout the school year. Students may wear black and orange or Halloween inspired clothing. Appropriate jeans (no holes) and athletic wear are also acceptable.

Thursday, October 27th, enjoy a FREE DRESS DAY for a small donation to benefit the St. Pat's Parent Ministry!

2nd Grade & the Sacrament of Baptism

Second Grade learned about the Sacrament of Baptism with Sr. Gemma by visiting the Catesis of the Good Shepard Atrium.

“Reverence, Respect, Responsibility...

Excellence in Academics and in Faith Formation”

Reading Partners - 1st Grade & 8th Grade

Our 8th graders visited our 1st graders to read and take AR quizzes. This is such a great way to build school community while engaging our students in reading fluency and comprehension.

Third Grade Math

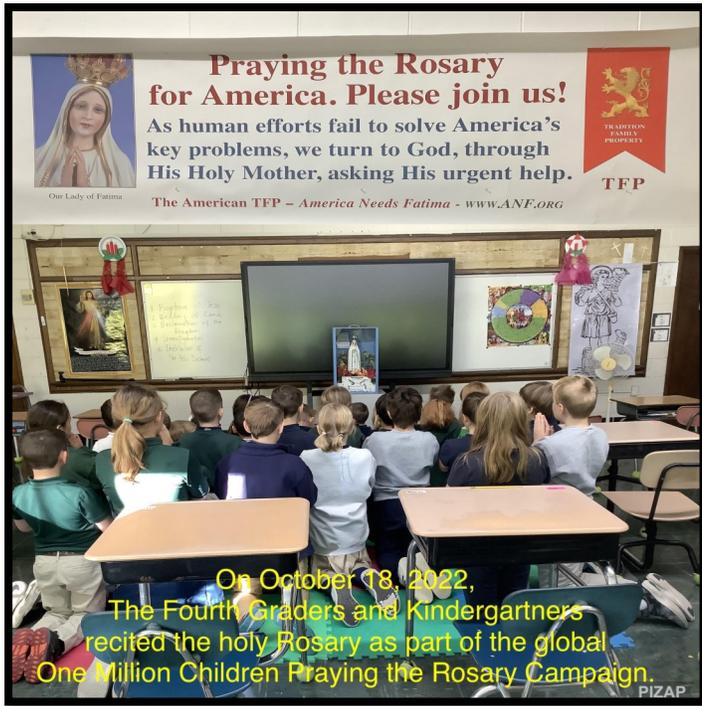

Third Grade worked on their first Math group problem-solving exercises! We had to estimate differences by rounding and apply our answers to solve word problems.

Third Grade Science

The Third Grade enjoyed learning about selection in Science. We tasted 4 different types of apples and discussed how we could create new varieties using selection.

Know someone that God might be calling to the priesthood or religious life?

Meet our Seminarian - Deacon Nathan Hopper

Deacon Hopper is from Epiphany Parish in Normal and St. John Paul II Newman Center at ISU. He entered the Seminary in 2017. He is a part of the Class of 2023 at Mount St. Mary's Seminary, Emmitsburg, MD where he is studying. He is 6'7" tall. He enjoys bowling. Before becoming a seminarian, he worked as an accountant. According to Come and Follow Me, this is why Deacon Hopper became a seminarian:

"In high school, I began to be very active in developing my faith, and in college, I truly put God and my faith first. At Illinois State, I served as a sacristan at our Newman Center for 3½ years, which gave me a great appreciation for the Sacraments and great joy from bringing The Lord to His people and people to The Lord. This, coupled with a strong, regular prayer life centered around Mass and Adoration, helped me to listen to God's calling and to heed the desire He placed in my heart to give myself to Him and His people in this radical way. Entering the seminary to discern that further was clearly the next step for me."

“The saints were saints because they were cheerful when it was difficult to be cheerful, patient when it was difficult to be patient, silent when they wanted to speak and agreeable when they felt an urge to scream. They pushed forward when they wanted to stand still.” - Father Lawrence Lovasik

Have a great week!
