

MEET OUR STAFF:

ELEMENTARY AFTER SCHOOL PROGRAM (EASP)

HALLIE GIBSON

Hallie began working at Providence in 2022 as a staff member on our EASP team, and we've been happy to have her serving as our EASP Coordinator since the 2023-2024 school year. In her spare time, she enjoys playing with her puppies, reading, and being outside in nature. Hallie's favorite thing about working at Providence is working with all of the children and watching them grow.

KEVIN BUENO

Our students and families will be happy to see Kevin return as a member of our team. In addition to Kevin's responsibilities in EASP, he spends his days teaching Spanish to our Primary and Lower Elementary students as well as Music and PE to Primary. Kevin is a native Spanish speaker born in Puerto Rico, and he attended Providence from 4th through 8th grades.

BRIAN BIETING

Brian has worked at Providence for six years. We are pleased to have Brian as a member of our Primary Nap Room team each day, after which time Brian shifts to EASP. Additionally, he works at our middle school campus one day per week teaching two electives: Guitar Class and Rock Band Class.

MATTHEW YOUNG

Matthew is a Providence alum, having attended from Primary through Middle School. Currently, Matthew attends the University of Kentucky, studying Hospitality Management and Tourism. He enjoys playing basketball, spending time with family, and watching sports.
