Packing Your Child's Lunch

State Requirements

We are required to let you know that Kentucky childcare regulations specify that each day, lunches for children at the toddler and primary level should include:

- Milk (provided by Providence)
- Meat or meat alternative * (protein)
- Bread or grain
- 2 different vegetables OR 1 fruit and 1 vegetable

Note: A grain-based dessert shall not replace the bread or grain based component of a meal. Yogurt for children shall have 23 grams of sugar or less per 6 oz.

*Meat alternatives shall include: tofu, soy products, cheese (including cottage or ricotta), eggs, cooked dry beans, peanut butter or soy nut butter, yogurt (plain or flavored), or peanuts, soy nuts, tree nuts, or seeds. Cheese shall be natural and pasteurized processed cheese and shall not be cheese product, imitation cheese, cheese food, or cheese spread as a meat alternative.

Important Reminders

Pizza Payments: Due for Primary/Toddler Loft. Please try to make your payments by 9:00am tomorrow to help us tally the classroom slices before ordering. We will, of course, order on the more "generous" side for one more week to ensure every child who wants pizza gets it. Thank you!

A friendly carline reminder. Now that the whole school is in session, carline is at full volume - thank you for your patience as everyone finds their rhythm. Please avoid blocking driveways or bus stops on Texaco Road while waiting, even briefly. Thank you!
