THURSDAY NEWS

"Through independence, the child learns how to be responsible for caring for themselves, others, and the environment."
~ Maria Montessori

Building a Community Together

Maria Montessori believed that "the higher levels of perfection all come through social life." Friendship, to her, was not a break from real learning. It was part of how a child reaches her full potential. Our mixed-age classrooms put children together for years at a time, and that stretch of time is what turns a group of classmates into an actual community, one where kids know each other, look forward to seeing each other, and feel like they belong somewhere.

Friendship Grows Naturally Here

Small moments of friendship shared between classmates repeat every day in our classrooms, and over time, they turn into real friendships built on shared space and shared work.

"My favorite memory of Providence is getting to play on the playground with my friends"
~ 3rd year Primary Student.

Access Code: PROV26

Please join us on to explore this important topic as part of our proactive, informed, and connected community! Please RSVP here.

Please note that both Upper Elementary and Middle School students will be viewing the documentary in school as part of their curriculum in Technology (Upper Elementary) and in Social Emotional Learning (Middle School).

The screenings will take place on Thursday 10/15 at the Middle School from 3:30-5:30 pm and on Thursday 10/22 on Texaco Rd from 3:30-5:30 pm. Please RSVP by 10/9 to let us know which screening you will be attending and indicate whether you need childcare. Childcare will be offered at the Lower School on both dates. If you are attending the session at the Middle School, please note the event should end around 5-5:15 pm to allow you to drive to Texaco Rd and pick up your child on time by 5:30 pm.

Grandparents' Day/Open House

Sunday, October 11th from 1 - 3 PM

This is a wonderful way to welcome grandparents, friends, and other loved ones to campus so they can experience what makes our school community so special. Children are always excited to guide their guests into the classroom, show off a few of their favorite work choices, and introduce them to their teachers. We hope you will stop by that afternoon and join the fun.

Our upper elementary students will be serving punch, and light finger foods will be available to enjoy during the celebration. That is where we could use your help. Please **CLICK HERE** to see how you can contribute by bringing in food items or lending a hand during the event.

MEET OUR STAFF:

TODDLER AFTER SCHOOL PROGRAM (TASP)

LOUIS HESSELDENZ

Louis is from Lexington, Kentucky and is an alum of Providence Montessori. He is currently enrolled at the University of Kentucky and is studying early childhood education.

KAYLE HUMPHRIES

Kayle is studying supply chain management at BCTC. It's her first year at Providence and she is looking forward to it. We are so happy to have her join our TASP team!

CAMRYN DICKMAN

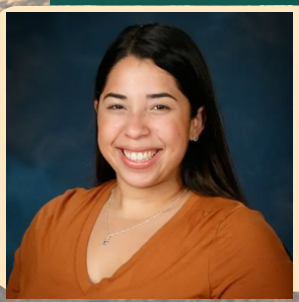

Camryn is also starting her first year at Providence with the TASP team. She is studying pre-med at BCTC and UK. She is looking forward to getting to know everyone and the school better! We are so happy to have her join us as well!

EMMA BRAZELL

Emma is a junior at the University of Kentucky, where she is majoring in Elementary Education. Originally from Naperville, Illinois, Emma has taught two high school color guard programs as well as a youth program in her hometown. She also gained experience working with a special recreational camp a couple summers ago. Emma loves working with children and is excited to be a part of the TASP team!

ANGELIE ARCHEVAL

Angelie started with Providence in 2021 as a co-teacher in the Toddler House. In addition to working as part of our TASP team, she spends the earlier part of her day teaching in Toddler Loft. Angelie was born and raised in Puerto Rico. She has a bachelor's degree in communication arts (TV Production) with a minor in production and market radio from the Universidad del Sagrado Corazón.
