## All Stat Home Health

Provides A Full Range of In-Home Nursing Assistance

All Stat is unique in that we do not use an answering service. Our staff of "real live people" answer the phone 24 hours a day, providing outstanding client support throughout the year.

For clients with private insurance, All Stat submits all billing on their behalf on a weekly basis, and follows up as appropriate, saving clients the aggrevation of having to submit claims and monitor their processing.

## Excerpts from Press Releases

"An increasing number of family members and friends are requiring private nursing assistance, whether they need aid in recuperating following a surgical procedure, support while recovering within a nursing facility, or long term help at home.

'About 7 million Americans provide or manage care for a relative or friend over age 55 who lives at least an hour away' according to the Family Caregiver Alliance, a California based advocacy group." *- Attitudes Magazine (May 2005)*

"All Stat Home Health, a locally owned Home Health Agency, is making it easier than ever for families to stay in touch, even family members who reside out of town, out of state or out of the county. All Stat Home Health provides in-home nursing assistance to clients along the Central West coast of Florida. They assist clients in Sarasota, Manatee, Charlotte, Desoto, Hardee and Hillsborough counties. They provide a range of in-home assistance from skilled nursing care to bathing, dressing, and personal assistance to various home tasks that are difficult for elders to perform." *- Business & Community News (March 2005)*

"The company [All Stat Home Health] brings families together through a proprietary system called Schedule Access. All Stat provides every family it serves with a user name and password for Internet-based access to materials related to the patient's nursing care and makes their information available to family members anywhere in the world."
*- Sarasota Herald Tribune (April 2005)*

## Consumer and Business Quotes from Press Releases

"All Stat's internet system helps us follow the progress of care, even though we live out of state." *- Caroline Samuelson, Client Family Member*

"All Stat's system also helps families and attorneys stay in touch. It provides valuable information related to their care." *- Neil Scott, Attorney*
