

Student Equipment List

Essential Equipment

Sewing Machine

- Please familiarize yourself thoroughly with your machine before the workshop
- Practice different stitches and ensure you're comfortable with threading and bobbin loading
- Understanding your machine's personality will maximize your workshop experience

Sewing Machine Needles

- Universal, Sharp, or Machine Embroidery needles compatible with your machine
- Bring extras as needles may break or become sticky with water-soluble materials

Free Motion Embroidery Foot

- Darning foot acceptable as alternative

Extra Bobbins

- Minimum 5 recommended

Extension Cord

- Any length, clearly labeled with your name

Embroidery Hoop

- 6-8 inch diameter preferred (slightly larger or smaller acceptable)

Cutting Tools

- Fabric scissors and/or embroidery scissors
- Decorative scissors welcome

Towel

- Old towel for drying samples created during first morning session

Pins

- For securing materials during stitching

Optional Supplies to Enhance Your Experience

Threads

- Personal collection of machine threads in your preferred colors

Fabric Scraps

- Small pieces from your stash that align with your chosen color palette
- Smaller pieces work best for this technique

Yarn & Ribbon Scraps

- Leftover materials from previous projects

Excellent opportunity to recycle cherished materials
