

Family Projects: Printing with Dandelions

Supplies: Dandelions, rubber mallet or hammer, paper towel, paper and/or cotton fabric

- **Step one:** gather your dandelions, use just the dandelion heads
- **Step two:** make arrangement
- **Step three:** cover the flower with paper towel
- **Step four:** begin hammering (tips: hammer on the floor, start at the edges for clear print)
- **Step five:** once you see the yellow color on the paper towel you have printed successfully
- **Step six:** Remove paper towel and enjoy! Try 100% cotton t-shirts too!
